RE: Fallen tree 160 Haverstock Hill NW3 2AT

Dear Alex,

This is to report that during a storm last Wednesday, 06.02.13 a Silver Maple tree in our rear garden along the boundary with 158 Haverstock Hill has fallen into our neighbors' (number 158) garden and roof. Luckily no one was outside at the time.

I have attached photos for your records.

Please do let me know if you need any more information.

Best regards,

Maya Levin
