No. Notes

1. Dimensions to be verified on site. Only figured dimensions to be used and any discrepancies in dimensions are to be reported to the contract administrator. No dimensions are to be scaled from printed drawings. Any areas indicated on this drawing are for guidance only. No responsibility is taken for their accuracy.
2. There is a risk of injury or death in connection with the work and the contractor must be aware of this risk. The contractor must undertake any element of the work without first having carried out the necessary risk assessments and prepared detailed method statements.
