

1 Proposed Ground Floor Plan
SCALE: 1:100@A3

No. Notes

1. Dimensions to be verified on site. Only figured dimensions to be used and any discrepancies to dimensions are to be reported to the contract administrator. No dimensions are to be reported as approximate or estimated. All dimensions are to be given in millimetres. No responsibility is taken for their accuracy.

2. There is a risk of injury or death to construction if the works are not properly planned and supervised. The contractor must not undertake any element of the work without first having carried out the necessary risk assessments and prepared detailed method statements.
