

No. Notes

1. Dimensions to be verified on site. Only figure dimensions to be used and any discrepancies in dimensions are to be noted on the drawing. Dimensions are to be taken from the finished ground level. Any areas indicated on the drawing are for guidance only. No responsibility is taken for their accuracy.
2. There is a risk of injury or death in construction if the works are not properly planned and supervised. The contractor must not undertake any element of the work without first having carried out a risk assessment and prepared detailed method statements.
