Proposal:  
Change of use and works of conversion from restaurant (Class A3) at first floor level, including use of the rear roof terrace, to a 1 bedroom self contained flat (Class C3).  
Drawing Nos: 754/11, 12, 13A, 14A, 15A.

The Council has considered your application and decided to grant permission subject to the conditions and informatives (if applicable) listed below **AND** subject to the successful conclusion of a Section 106 Legal Agreement.

The matter has been referred to the Council's Legal Department and you will be contacted shortly. If you wish to discuss the matter please contact **Aidan Brookes** in the Legal Department on **020 7 974 1947**.

Once the Legal Agreement has been concluded, the formal decision letter will be sent to you.

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 Before the use commences sound insulation shall be provided for the building between the existing ground floor restaurant and proposed 1st floor residential flat, in accordance with a scheme to be first approved by the local planning authority. The use shall thereafter not be carried out other than in complete compliance with the approved scheme.

Reason: To safeguard the amenities of the adjoining premises and the area generally in accordance with the requirements of policies CS5 and CS6 of the London Borough of Camden Local Development Framework Core Strategy and policies DP26 and DP12 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans - 754/12; 13A; 14A; 15A.

Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 2363).
- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 Reasons for granting permission. [Delegated]

The proposed development is in general accordance with the London Borough of Camden Local Development Framework Core Strategy, with particular regard to

policies CS5 (Managing the impact of growth and development); CS6 (Providing quality homes); CS11 (Promoting sustainable and efficient travel); CS14 (Promoting high quality places and conserving our heritage) and the London Borough of Camden Local Development Framework Development Policies, with particular regard to policies DP2 (Making full use of Camden's capacity for housing); DP5 (Homes of different sizes); DP6 (Lifetimes homes and wheelchair housing); DP12 (Supporting strong centres and managing the impact of food, drink, entertainment and other town centre uses); DP17 (Walking, cycling and public transport); DP18 (Parking standards and limiting the availability of car parking); DP19 (Managing the impact of parking); DP24 (Securing high quality design); DP25 (Conserving Camden's heritage); DP26 (Managing the impact of development on occupiers and neighbours). For a more detailed understanding of the reasons for the granting of this planning permission, please refer to the officers report.

- 4 The Mayor of London introduced a Community Infrastructure Levy (CIL) to help pay for Crossrail on 1st April 2012. Any permission granted after this time which adds more than 100sqm of new floorspace or a new dwelling will need to pay this CIL. It will be collected by Camden on behalf of the Mayor of London. Camden will be sending out liability notices setting out how much CIL will need to be paid if an affected planning application is implemented and who will be liable.

The proposed charge in Camden will be £50 per sqm on all uses except affordable housing, education, healthcare, and development by charities for their charitable purposes. You will be expected to advise us when planning permissions are implemented. Please use the forms at the link below to advise who will be paying the CIL and when the development is to commence. You can also access forms to allow you to provide us with more information which can be taken into account in your CIL calculation and to apply for relief from CIL.

<http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

We will then issue a CIL demand notice setting out what monies needs to paid when and how to pay. Failure to notify Camden of the commencement of development will result in a surcharge of £2500 or 20% being added to the CIL payment. Other surcharges may also apply for failure to assume liability and late payment. Payments will also be subject to indexation in line with the construction costs index.

Please send CIL related documents or correspondence to [CIL@Camden.gov.uk](mailto:CIL@Camden.gov.uk)

Yours faithfully
