

01

PHOTO OF PRINCIPLE ELEVATION OF FREEMASONS HALL

Indicating location of existing window to be altered

Existing window grill detail within store room at ground floor (Level 03) to be matched.

Existing window glass to be replaced with cast iron grill (to central window pane only). Detail is to match other window within same store room. This will provide alternative mechanical ventilation to electrical substation at lower ground floor (Level 02). Refer to drawing PL.051 for further details.

Indicative location of existing window proposed to provide ventilation electrical substation at lower ground floor (level 02)

02

EXISTING WINDOWS TO STORE ROOM AT GROUND FLOOR (Level 03)

03

EXISTING WINDOW GRILL TO BE REPLICATED

04

APPROVED WINDOW TO PROVIDE VENTILATION TO ELECTRICAL SUBSTATION

NB. For further details of new ventilation to the electrical substation at lower ground (level 02) please refer to MRDA drawing PL.051.
