Discharge of Condition 6

Further to receipt of your Grant of Planning Permission dated 20th May 2010, I now enclose additional information relating to the discharge of Condition 6 – Green Roof Details.

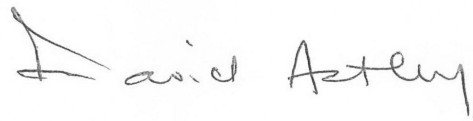

We propose to install a habitat for rare or threatened species and in construction it will have minimal negative impact on the local environment. The roof will be formed using a varied covering of plants, growing mediums, aggregates etc sourced from the existing site.

I have enclosed a scale drawing (1:20) which also includes a maintenance scheme for the roof. See drawing 7363_30.

I also enclose the completed Conditions Application Form and a cheque for the sum of £97.00 only with 3 copies of supporting documentation.

I trust the information contained is sufficient for you to proceed but should you require any further information please do not hesitate to contact this office.

Yours sincerely,
