The matter has been referred to the Council's Legal Department and you will be contacted shortly. If you wish to discuss the matter please contact **Aidan Brookes** in the Legal Department on **020 7 974 1947**.

Once the Legal Agreement has been concluded, the formal decision letter will be sent to you.

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 Notwithstanding the provisions of Class D1 of the Schedule of the Town and Country Planning (Use Classes) Order, 1987, or any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order, the basement level of the premises shall only be used as a dentist surgery or provision of medical or health service and for no other purpose.

Reason: To ensure that the use of the basement floor of the premises does not adversely affect the surrounding area by reason of noise, traffic congestion and increased parking pressure in accordance with policies CS5 (Managing the impact of growth and development), CS10 (Supporting community facilities and services) and CS11 (Promoting sustainable and efficient travel) of the London Borough of Camden Local Development Framework Core Strategy and policies DP15 (Community and leisure uses), DP16 (Transport implications of development), DP26 (Managing the impact of development on occupiers and neighbours) and DP28 (Noise and vibration) of the London Borough of Camden Local Development Framework Development Policies.

Informative(s):

- 6 Reasons for granting planning permission

DRAFT

The proposed development is in general accordance with the London Borough of Camden Local Development Framework Core Strategy with particular regard to policies CS1 (Distribution of growth), CS3 (Other highly accessible areas), CS5 (Managing the impact of growth and development), CS8 (Providing a successful and inclusive Camden Economy), CS9 (Achieving a successful Central London), CS10 (Supporting community facilities and services), CS11 (Promoting sustainable and efficient travel), CS14 (Promoting high quality places and conserving our heritage) and CS19 (Delivering and monitoring the Core Strategy) and with the London Borough of Camden Local Development Framework Development Policies with particular regard to policies DP13 (Employment premises and spaces), DP14 (Community and leisure facilities), DP15 (Walking, cycling and public transport), DP18 (Managing the impact of parking and the visibility of car parking), DP19 (Managing the impact of parking), DP20 (Conserving Camden's heritage) and DP26 (Managing the impact of development on occupiers and neighbours).

DECISION

Furthermore the proposal accords with the specific policy requirements in respect of the following principle considerations:- It is acknowledged that the proposed change of use would result in the loss of Class B1 floorspace at basement floor level. However the applicant has sufficiently demonstrated that the basement is not suitable for continued Class B use, partly as a result of marketing undertaken since 2006 when the basement became vacant. As such, the proposal would bring into active use this part of the building and provide a dental surgery with potential to serve the local community in a highly accessible location. It is acknowledged that jewellery sector workshop space is not secured as part of a mix of uses at this part of the building, but this is considered to be impractical owing to the small scale nature of the proposals. Parts of the upper floors of the building

Yours faithfully
