Installed by All Seasons Landscapes, Stockton-on-Tees

Heritage Paving, Weathered Yorkstone (WYS),
Woodstone planters Millstones large & small

Heritage Paving, Old Yorkstone (OY)

Heritage Paving®

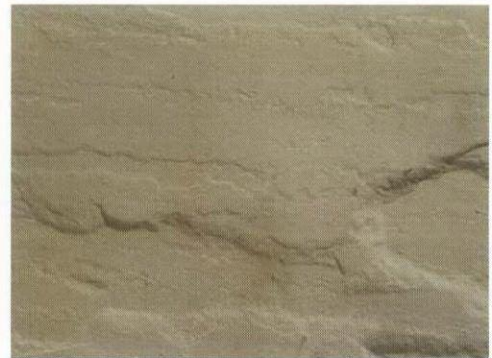

Cast from genuine split sandstone flags with mason fettled edges reminiscent of newly quarried yorkstone

22kg CO₂ per m²

Heritage Paving

- The manufacturing process means that Heritage Paving should be bedded on mortar
- Paving joints should be 8-15mm wide and fully pointed with mortar
- Paving should not be butt jointed
- Do not use de-icing salts or chlorine-based products on, or adjoining, the finished paving
- If used indoors, paving should be sealed with a proprietary water-based acrylic sealant
- If required you can purchase less than full packs – minimum quantity, single units (see 'Order Select', p.169)
- Only Heritage Weathered Yorkstone has Marshalls Active Shield Protection
- For information on Marshalls innovative Active Shield Protection, please see page 41

Yorkstone (Y)
