

Natural Stone Steps

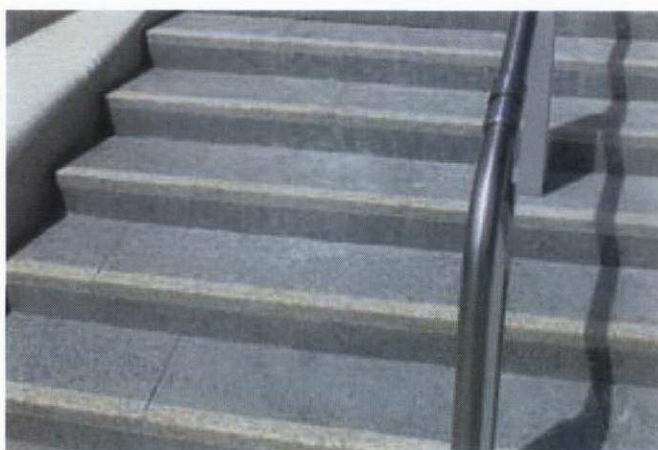

- Natural Stone Step units are available across our popular Yorkstone, Pennant and Granite ranges.
- Individual tread and risers are available in all natural stone types.
- Radius Steps are available in natural stone which can make a stunning feature of any public space.
- Due to the bespoke nature of the product the technical advice provided can help improve the finished design aesthetics, lower costs and potentially eliminate issues during the construction process.
- All Marshalls Natural Stone is sourced with regards to our obligations as a Corporate Member of the Ethical Trading Initiative. (ETI)
- Bespoke design details for installation available upon request.
