Dear Ms. McKenna,

We were owners of Flat 12, 154 Albany Street, London NW1 4DH until May 2008.

We confirm that we gave the instructions to glaze the balcony more than 10 years ago.

Thanks and best regards,

C Deamer

Dear Ms. McKenna

MR. Guptara requested the date of the balcony alteration. This took place in July 1990 and was done with full permission of the council. I would be grateful if you would pass this information to MR. Guptara.

Yours Sincerely

Christine Deamer.
