You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 Reasons for granting permission. [Delegated]

The proposed development is in general accordance with the London Borough of Camden Local Development Framework Core Strategy, with particular regard to policies CS3 - Other highly accessible areas;

CS6 - Providing quality homes; CS11 - Promoting sustainable and efficient travel; CS13 - Tackling climate change through providing higher environmental standards; CS14 - Promoting high quality places and conserving our heritage, and the London Borough of Camden Local Development Framework Development Policies, with particular regard to policies DP1 - Mixed use development; DP2 - Making full use of Camden's capacity for housing; DP5 - Homes of different sizes; DP6 - Lifetime homes and wheelchair homes; DP13 - Employment sites and premises; DP16 - The transport implications of development; DP17 - Walking, cycling and public transport; DP18 - Parking standards and the availability of parking; DP19 - Managing the impact of parking; DP21 - Development connecting to the highway network; DP22 - Promoting sustainable design and construction; DP24 - Securing high quality design; DP25 - Conserving Camden's heritage; DP26 - Managing the impact of development on occupiers and neighbours. For a more detailed understanding of the reasons for the granting of this planning permission, please refer to the officers report.

- 4 The Mayor of London introduced a Community Infrastructure Levy (CIL) to help pay for Crossrail on 1st April 2012. Any permission granted after this time which adds more than 100sqm of new floorspace or a new dwelling will need to pay this CIL. It will be collected by Camden on behalf of the Mayor of London. Camden will be sending out liability notices setting out how much CIL will need to be paid if an affected planning application is implemented and who will be liable.

The proposed charge in Camden will be £50 per sqm on all uses except affordable housing, education, healthcare, and development by charities for their charitable purposes. You will be expected to advise us when planning permissions are

implemented. Please use the forms at the link below to advise who will be paying the CIL and when the development is to commence. You can also access forms to allow you to provide us with more information which can be taken into account in your CIL calculation and to apply for relief from CIL.

<http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

We will then issue a CIL demand notice setting out what monies needs to paid when and how to pay. Failure to notify Camden of the commencement of development will result in a surcharge of £2500 or 20% being added to the CIL payment. Other surcharges may also apply for failure to assume liability and late payment. Payments will also be subject to indexation in line with the construction costs index.

Please send CIL related documents or correspondence to CIL@Camden.gov.uk

Yours faithfully
