Dear John,

Re: Planning Condition 4 - 239 Haverstock Hill, London, NW3 4PR

Thank you for your appointment regarding item 4 of the planning consent for the above property.

As indicated I am a Chartered Engineer fully acquainted with the type of project (qualifications below) and confirm I am able to carry out the duties described under the said condition.

Initially I need to review all designs and relevant documentation and await for these to be forwarded.

I would suggest attendance at the pre commencement and regular site meetings at which time I can raise any issues and comment upon the works in progress.

Should you wish to discuss the above please do not hesitate to contact me.

Kind regards,

Yours sincerely

Eur. Ing. Barry Smith BSc MICE C. Eng MFPWS
