Dear Joe and Susan,

**APPLICATION FOR LAWFUL DEVELOPMENT CERTIFICATE
20 HOLLY WALK, LONDON NW3 6RA**

I write to confirm my instructions given to me from yourselves and the works then carried out at your residence, 20 Holly Walk.

Designs were prepared by my practice in December 1999 for the construction of a Shower Room, Dressing Area and Store within a then existing Garage. The construction of the designs were subsequently carried out and reached completion in August 2000.

I am also able to confirm that you (Joe and Susan Harari) have enjoyed full use of the Shower Room, Dressing Area and Store as an integral part of you residence, continuously as of completion in August 2000 right up the present, as I have indeed visited your property on many occasions over the years and witnessed your use unchanged up to the time of my recent visit last week.

I am happy for you to pass copy of this letter to the Planning Department as information in support of your application.

Yours sincerely,
Peter Bernamont
