20 November 2012

Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) Order 2010
Town and Country Planning (Applications) Regulations 1988

Full Planning Permission Granted

Address:
58 Goldhurst Terrace
London
NW6 3HT

Proposal:

Excavation of enlarged basement with front and rear lightwells, erection of rear ground floor level extension with terrace over at first floor level, replacement of window with door at rear first floor level all in connection with existing flats (Class C3).

Drawing Nos: Site location plan, GT58-4001, GT58-4002, GT58-4003A, GT58-4004A, GT58-4005, GT58-4006, GT58-4007A, Flood Risk Assessment and Hydrological Assessment produced by Enzygo Environmental Consultants dated Augst 2012 (ref SHF.164.001.R.001.B), Basement Impact Assessment - Screening produced by Enzygo Environmental Consultants dated August 2012 (ref SFH.164.001R.001A), Arboricultural Report produced by Custom Cutters Tree Specialists Ltd dated 15th December 2010.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans:

Site location plan, GT58-4001, GT58-4002, GT58-4003A, GT58-4004A, GT58-4005, GT58-4006, GT58-4007A, Flood Risk Assessment and Hydrological Assessment produced by Enzygo Environmental Consultants dated August 2012 (ref SHF.164.001.R.001.B), Basement Impact Assessment - Screening produced by Enzygo Environmental Consultants dated August 2012 (ref SFH.164.001R.001A), Arboricultural Report produced by Custom Cutters Tree Specialists Ltd dated 15th December 2010.

Reason:

For the avoidance of doubt and in the interest of proper planning.

- 4 Prior to commencement of development details of a sustainable urban drainage system shall be submitted to and approved in writing by the local planning authority. Such system shall be based on a 1:100 year event with 30% provision for climate change and demonstrating 50% attenuation of all runoff. The system shall be implemented as part of the development and thereafter retained and maintained.

Reason: To reduce the rate of surface water run-off from the building and limit the impact on the storm-water drainage system in accordance with policies CS13 and CS16 of the London Borough of Camden Local Development Framework Core Strategy and policies DP22, DP23 and DP32 of the London Borough of Camden Local Development Framework Development Policies.

- 5 A 1.8 metre high screen, details of which shall have been submitted to and approved in writing by the local planning authority, shall be erected on the north and south side elevations adjacent to nos. 56 and 60 Goldhurst Terrace prior to commencement of use of the roof terrace and shall be permanently retained.

Reason: In order to prevent unreasonable overlooking of neighbouring premises in accordance with the requirements of policy CS5 of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 of the London Borough of Camden Local Development Framework Development Policies.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 2363).
- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 Reasons for granting permission.

The proposed development is in general accordance with the London Borough of Camden Local Development Framework Core Strategy, with particular regard to policies CS5 (Managing the impact of growth and development); CS11 (Promoting sustainable and efficient travel); CS13 (Tackling climate change through promoting higher environmental standards); CS14 (Promoting high quality places and conserving our heritage); CS15 (Protecting and improving our parks and open spaces and encouraging biodiversity) and the London Borough of Camden Local Development Framework Development Policies, with particular regard to policies DP16 (The transport implications of development); DP18 (Parking standards and limiting the availability of car parking); DP20 (Movement of goods and materials); DP21 (Development connecting to the highway network); DP22 (Promoting sustainable design and construction); DP23 (Water); DP24 (Securing High Quality Design); DP25 (Conserving Camden's heritage); DP26 (Managing the impact of the development on occupiers and neighbours); DP27 (Basements and Lightwells); DP32 (Air quality and Camden's Clear Zone). For a more detailed understanding of the reasons for the granting of this planning permission, please refer to the officers report.

- 4 The Mayor of London introduced a Community Infrastructure Levy (CIL) to help pay for Crossrail on 1st April 2012. Any permission granted after this time which adds more than 100sqm of new floorspace or a new dwelling will need to pay this

CIL. It will be collected by Camden on behalf of the Mayor of London. Camden will be sending out liability notices setting out how much CIL will need to be paid if an affected planning application is implemented and who will be liable.

The proposed charge in Camden will be £50 per sqm on all uses except affordable housing, education, healthcare, and development by charities for their charitable purposes. You will be expected to advise us when planning permissions are implemented. Please use the forms at the link below to advise who will be paying the CIL and when the development is to commence. You can also access forms to allow you to provide us with more information which can be taken into account in your CIL calculation and to apply for relief from CIL.

<http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

We will then issue a CIL demand notice setting out what monies needs to paid when and how to pay. Failure to notify Camden of the commencement of development will result in a surcharge of £2500 or 20% being added to the CIL payment. Other surcharges may also apply for failure to assume liability and late payment. Payments will also be subject to indexation in line with the construction costs index.

Please send CIL related documents or correspondence to CIL@Camden.gov.uk
