3. **NOW THIS DEED WITNESSETH** as follows:-

- 3.1 This Agreement is made in pursuance of Section 106 of the Act, and is a planning obligation for the purposes of Section 106 as aforesaid, and shall be enforceable by the Council against the Owner as provided herein and against any person deriving title to any part of the Property from the Owner and insofar as it is not a planning obligation its provisions may be enforceable by the Council under any relevant statutory powers.
- 3.2 Words importing the singular shall include the plural and vice versa and any words denoting actual persons shall include companies corporations and other artificial persons.
- 3.3 Any reference to a specific statute or statutes include any statutory extension or modification amendment or re-enactment of such statute and any regulation or orders made under such statute.
- 3.4 The clause and paragraph headings do not form part of this Agreement and shall not be taken into account in its construction or interpretation.
- 3.5 It is hereby agreed between the Parties that save for the provisions of clauses 1, 2, 3, 5, 6 and 7 hereof all of which shall come into effect on the date hereof the covenants undertakings and obligations contained within this Agreement shall become binding upon the Owner upon the Implementation Date.
- 3.6 The Council hereby agrees to grant the Planning Permission on the date hereof.
- 3.7 The Parties save where the context states otherwise shall include their successors in title.

4. **OBLIGATIONS OF THE OWNER**

The Owner hereby covenants with the Council as follows:-

4.1 CAR CAPPED

4.1.1 The Owner hereby covenants with the Council to ensure that prior to occupying any residential unit forming part of the Development each new resident of the Development is informed by the Owner of the Council's policy that they shall not be entitled (unless they are the holder of a disabled persons badge issued pursuant to Section 21 of the Chronically Sick and Disabled Persons Act 1970) to be granted a Residents Parking Permit to park a vehicle in a Residents Parking Bay and will not be able to buy a contract to park within any car park owned, controlled or licensed by the Council.

4.1.2 The Owner for itself and its successors in title to the Property hereby acknowledges that the provision in Clause 4.1.1 above will remain permanently.

4.1.3 On or prior to the Occupation Date the Owner shall inform the Council's Planning Obligations Monitoring Officer of the official unit numbers of the residential units forming part of the Development (as issued and agreed by the Council's Street Name and Numbering Department), identifying those residential units that in the Owner's opinion are affected by the Owner's obligation in Clause 4.1.1 of this Agreement.

4.2 CONSTRUCTION MANAGEMENT PLAN

4.2.1 Prior to the Implementation Date to provide the Council for approval a draft Construction Management Plan.

4.2.2 Not to Implement nor allow Implementation of the Development until such time as the Council has approved the Construction Management Plan (such approval not to be unreasonably withheld or delayed) as demonstrated by written notice to that effect.

4.2.3 The Owner acknowledges and agrees that the Council will not approve the Construction Management Plan unless it demonstrates to the Council's reasonable satisfaction that the Construction Phase of the Development can be carried out safely and with minimal possible impact on and disturbance to the surrounding environment and highway network.

- 4.2.4 To ensure that throughout the Construction Phase the Development shall not be carried out otherwise than in strict accordance with the requirements of the Construction Management Plan and not to permit the carrying out of any works comprised in demolition or building out the Development at any time when the requirements of the Construction Management Plan are not being complied with and in the event of non compliance with this sub-clause the Owner shall upon notice from the Council forthwith take any steps required to remedy such non-compliance.

5. **NOTICE TO THE COUNCIL/OTHER MATTERS**

- 5.1 The Owner shall give written notice to the Council on or prior to the Implementation Date specifying that Implementation of the Development has taken or is about to take place.
- 5.2 Within seven days following completion of the Development the Owner shall certify in writing to the Planning Obligations Monitoring Officer in the manner outlined at clause 6.1 hereof quoting planning reference 2011/6179/P the date upon which the Development is ready for Occupation.
- 5.3 The Owner shall act in good faith and shall co-operate with the Council to facilitate the discharge and performance of all obligations contained herein and the Owner shall comply with any reasonable requests of the Council to have access to any part of the Property or any requests to provide documentation within the Owner's possession (at the Owner's expense) for the purposes of monitoring compliance with the obligations contained herein.
- 5.4 The Owner agrees declares and covenants with the Council that it shall observe and perform the conditions restrictions and other matters mentioned herein and shall not make any claim for compensation in respect of any condition restriction or provision imposed by this Agreement and further shall indemnify the Council for any expenses or liability arising to the Council in respect of breach by the Owner of any obligations contained herein save to the extent that any act or omission of the Council its employees or agents has caused or contributed to such expenses or liability.
- 5.5 If satisfied as to the compliance of the Owner in respect of any obligation in this Agreement the Council shall (if requested to do so in writing and subject to payment

of a fee of £1,000 in respect of each such obligation) provide through its Head of Legal Services a formal written certification of compliance, partial compliance or ongoing compliance (as and if appropriate) with the provisions of any such obligation.

- 5.6 Submission of the Construction Management Plan for approval by the Council under the terms of this Agreement shall be made by the Owner to the Council sending the full document and any appendices in electronic format to the Planning Obligations Monitoring Officer referring to the names dates and Parties to this Agreement and citing the specific clause of this Agreement to which such plan relates quoting the planning reference 2011/6179/P.
- 5.7 All consideration given in accordance with the terms of this Agreement shall be exclusive of any value added tax properly payable in respect thereof and all parties other than the Council shall pay and indemnify the Council against any such value added tax properly payable on any sums paid to the Council under this Agreement upon presentation of an appropriate value added tax invoice addressed to the Owner.
- 5.9 All costs and expenses payable to the Council under this Agreement shall bear interest at the rate of 4% above the Base Rate of the National Westminster Bank plc from time to time being charged from the date such payment is due until payment is made.
6. **IT IS HEREBY AGREED AND DECLARED** by the Parties hereto that:-
- 6.1 The provisions of Section 196 of the Law of Property Act 1925 (as amended) shall apply to any notice or approval or agreement to be served under or in connection with this Agreement and any such notice or approval shall be in writing and shall specifically refer to the name, date and Parties to the Agreement and shall cite the clause of the Agreement to which it relates and in the case of notice to the Council shall be addressed to the London Borough of Camden, Planning Obligations Officer, Urban Design and Renewal, Planning and Public Protection, Culture and Environment Directorate, Town Hall Annex, Argyle Street, London WC1H 9LP quoting the planning reference number 2011/6179/P and in the case of any notice or approval or agreement from the Council this shall be signed by a representative of the Council's Environment Department.

- 6.2 This Agreement shall be registered as a Local Land Charge.
- 6.3 The Owner agrees to pay the Council its proper and reasonable legal costs incurred in preparing this Agreement on or prior to the date of completion of the Agreement.
- 6.4 The Owner hereby covenants with the Council that it will within 28 days from the date hereof apply to the Chief Land Registrar of the Land Registry to register this Agreement in the Charges Register of the title to the Property and will furnish the Council forthwith on written demand with official copies of such title to show the entry of this Agreement in the Charges Register of the title to the Property.
- 6.5 Nothing contained or implied in this Agreement shall prejudice or affect the Council's powers to enforce any specific obligation term or condition nor shall anything contained or implied herein prejudice or affect any provisions, rights, powers, duties and obligations of the Council in the exercise of its functions as Local Planning Authority for the purposes of the Act or as a local authority generally and its rights, powers, duties and obligations under all public and private statutes, bye laws and regulations may be as fully and effectually exercised as if the Council were not a party to this Agreement.
- 6.6 Neither the Freeholder, the Leaseholder and the First Applicant and the Second Applicant nor their successors in title nor any person deriving title from them shall be bound by the obligations in this Agreement in respect of any period during which it no longer has an interest in the Property but without prejudice to liability for any breach committed prior to the time it disposed of its interest.
- 6.7 For the avoidance of doubt the provisions of this Agreement (other than those contained in this sub-clause) shall not have any effect until this Agreement has been dated.
- 6.8 If the Planning Permission is quashed or revoked or otherwise withdrawn or expires before effluxion of time for the commencement of development or is modified (other than by agreement with or at the request of the Owner) this Agreement shall forthwith determine and cease to have effect.

7. RIGHTS OF THIRD PARTIES

7.1 The Contracts (Rights of Third Parties) Act 1999 shall not apply to this Agreement

Authorised Signatory

THE FIRST SCHEDULE
Construction Management Plan
Air Quality and Carbon Reduction

Requirement to control and minimise NO_x, PM₁₀, CO₂ emissions from construction sites and avoid nuisance and dust complaints.

A method statement shall be prepared and adopted as part of the Construction Management Plan to minimise gaseous and particulate matter emissions generated during the Construction Phase. The method statement shall identify the specific measures which will be implemented to control air pollution emissions during each of the following stages of the Construction Phase: (a) demolition; (b) ground breaking; and (c) construction/build.

The Construction Phase shall be carried out in accordance with the Best Practise Guidance Note "Control of dust and emissions from construction and demolition" published by London Councils, 2006. The risk rating of the site shall be defined in the method statement and determined using the risk assessment methodology in the Best Practise Guidance. Techniques to control dust from construction activities and emissions from vehicles and plant, and undertake air quality monitoring, shall conform to the 'medium' or 'high' risk categories outlined in the Best Practice Guidance.

The following best practise measures shall be included in the method statement:-

A - Techniques to control PM₁₀ and NO_x emissions from vehicles and plant

- a) Low emission plant fitted with catalysts, diesel particulate filters or similar devices shall be used;
- b) Plant shall be well maintained, with routine servicing of plant and non-road mobile machinery (NRMM) to be completed in accordance with the manufacturers recommendations;
- c) Avoid the use of diesel or petrol powered generators and use mains electricity or battery powered equipment;
- d) Non-road mobile machinery (NRMM) shall use ultra low sulphur tax-exempt diesel and be fitted with appropriate exhaust after-treatment such as catalysts, diesel particulate filters as stated on the approved list managed by the Energy Saving Trust. Details of the plant and control equipment shall be included in the method statement.
- e) All construction vehicles shall comply with the Euro 4 emissions standard and where possible use low emission fuels and alternative technology.
- f) Plant and vehicles shall be located away from the closest receptors or house in closed environments where possible.

B - Techniques to control dust emissions from construction and demolition

- a) Keep site fencing, barriers and scaffolding clean using wet methods;
- b) Buildings to be demolished shall be wrapped
- c) Provide easily cleaned hard standing for vehicles and clean using wet sweeping methods;
- d) Provide the use of wheel-wash facilities near the site exit. Fit wheel-washes with rumble grids to dislodge accumulated dust and mud prior to leaving the site to avoid carrying dust or mud off the site;
- e) Inspect internal haul routes for integrity and instigate necessary repairs to the surface as soon as reasonably practicable;
- f) Routinely clean the Public Highways and accesses using wet sweeping methods especially during dry periods;

- g) Impose and signpost maximum speed limits of 10 mph on surfaced haul routes and work areas within the Site;
- h) Ensure all vehicles carrying loose or potentially dusty material to or from the site are fully sheeted;
- i) Store materials with the potential to produce dust away from Site boundaries;
- j) Sheet, seal or damp down stockpiles of excavated material held on Site;
- k) Ensure water suppression is used during demolition operations;
- l) Ensure mobile crushing and screening plant and cement batching plant which are regulated under the Local Air Pollution Prevention and Control regime operate in compliance with a Part B Permit. This shall be submitted to the local authority prior to operation.
- m) Site personnel shall be trained in dust mitigation and a manager shall be present for managing dust on site.

C - Air Quality Monitoring

- a) Throughout the Construction Phase continuous particulate matter (PM10) monitoring shall be undertaken. Two instruments will be deployed at the site boundary in a transect orientated to the prevailing wind direction, with a third monitor located at the nearest sensitive receptor. One monitor shall be co-located with an anemometer. Adequate quality assurance/quality control procedures shall be in place including monitor maintenance and calibration as well and data checking. PM10 data shall be collected automatically on an hour basis.
- b) A trigger action level for PM10 concentrations of $200\mu\text{g.m}^{-3}$ (15 minute average) shall be used to identify incidences of elevated dust emissions at the site boundary. An on-site alert system (email or SMS) shall be in place to notify appropriate staff that the trigger action level has been reached. Immediate and appropriate measures can be put in place to rectify abnormal particulate emissions. A procedure shall be established to deal with abnormal dust emissions.
- c) An e-mail specifying details of any alert to be sent out to the Council's air quality officer as soon as practicable following any breach of the site trigger action level.
- d) An electronic report shall be submitted to the Council every three months summarising the following information from each monitoring site – 24 hour average PM10 concentration, date and time of any breach of the trigger action level with the 15 minute mean concentration, prevailing wind direction and details of the cause of elevated dust emissions and mitigation measures.
- e) A 24-hour phone hotline shall be set up so that residents can complain about high dust or PM10 levels directly to the developer.

The following items shall be included in the method statement:

- a) A specific timetable identifying the start and finish dates of each phase including dust generating activities, and PM10 monitoring.
- b) A map identifying the location of dust generating activities, plant equipment associated with emissions to air and PM10 monitors.
- c) An air quality monitoring protocol prepared in accordance with the requirements of section C.

D - Techniques to reduce CO₂ emissions from construction vehicles

A commitment from the Owner that contractors' vehicles involved in construction and demolition work will adopt 'green fleet management practices' that will result in a 10% reduction in tail-pipe CO₂ emissions. A green fleet management plan included in the method statement identifying measures to improve vehicle efficiency and reduce CO₂ emissions from construction vehicles. This could include the use of fuel saving equipment in vehicles, accreditation with FORS (Freight Operator Recognition Scheme run by TfL) or SAFED (Safe and Fuel Efficient Driving run by the DfT) and use of low carbon vehicles such as hybrid electric, electric and bio-methane.

THE SECOND SCHEDULE Construction Management Plan Highway Measures

A Construction Management Plan outlines how construction work will be carried out and how this work will be serviced (e.g. delivery of materials, set down and collection of skips), with the objective of minimising traffic disruption and avoiding dangerous situations and minimising the impact on local amenity. A Construction Management Plan should cover both demolition and construction phases of development. Details of the Construction Management Plan will relate to the scale and kind and location of the development and they should assess the impact on transport and on local amenity including road user amenity. Should any one of these criteria be considered not to be relevant, then specific justification, as to why that particular criterion is not relevant, will need to be provided. The Construction Management Plan should demonstrate that the following has been considered and where necessary the impacts mitigated:

(Note the term 'vehicles' used here refers to all vehicles associated with the implementation of the development, e.g. demolition, site clearing, delivering of plant, material and construction, staff parking etc)

- a) A brief description of the site, surrounding area and development proposals for which the Construction Management Plan applies.
- b) Proposed start and end dates for each phase of construction.
- c) The proposed working hours within which vehicles will arrive and depart.
- d) The access arrangements for vehicles.
- e) Proposed routes for vehicles between the site and the Transport for London Road Network (TLRN). Consideration should also be given to weight restrictions, low bridges and cumulative affects of construction on the highway. A map of the TLRN can be downloaded from the following site:-
http://www.tfl.gov.uk/assets/downloads/TFL_Base_Map_Master.pdf
- f) Typical sizes of all vehicles and the approximate frequency and times of day when they will need access to the site, for each phase of construction.
- g) Swept path drawings for any tight manoeuvres on vehicle routes to the site.
- h) Details (including accurate scaled drawings) of any highway works necessary to enable construction to take place.
- i) Parking and loading arrangement of vehicles and delivery of materials and plant to the site.
- j) Details of proposed parking bays suspensions and temporary traffic management orders.
- k) Proposed overhang (if any) of the public highway (scaffolding, cranes etc.).
- l) Details of hoarding required or any other occupation of the public highway.
- m) Details of how pedestrian and cyclist safety will be maintained, including any proposed alternative routes (if necessary), and any Banksman arrangements.
- n) Details of how traffic associated with the Development will be managed in order to reduce congestion.
- o) Details of any other measures designed to reduce the impact of associated traffic (such as the use of construction material consolidation centres).
- p) Details of how any significant amounts of dirt or dust that may be spread onto the public highway will be cleaned or prevented.
- q) Details of consultation on a draft Construction Management Plan with local residents, business, local groups (e.g. residents/tenants and business associations) and Ward Councillors. Details should include who was consulted, how the consultation was conducted and the comments received in response to the consultation. In response to the comments received, the Construction Management Plan should then be amended where appropriate and where not appropriate a reason should be given

why not. The revised Construction Management Plan should also include a list of all the comments received. You are advised to check your proposed approach to consultation with the Council before carrying it out.

- r) Details of any Construction Working Group that will be set up, addressing the concerns of surrounding residents, as well as contact details for the person responsible for community liaison on behalf of the developer, and how these contact details will be advertised to the community.
- s) Details of any schemes such as the "Considerate Contractors Scheme" that the project will be signed up to should form part of the consultation and be notified to the Council. Contractors will also be required to follow the "Guide for Contractors Working in Camden" also referred to as "Camden's Considerate Contractor's Manual"
- t) Details of other construction sites in the local area and how your Construction Management Plan takes into consideration the cumulative effects of construction local to your site.
- u) Any other relevant information with regard to traffic and transport.
- v) The Construction Management Plan should also include the following statement:

"The agreed contents of the Construction Management Plan must be complied with unless otherwise agreed with the Council. The project manager shall work with the Council to review this Construction Management Plan if problems arise in relation to the construction of the Development. Any future revised plan must be approved by the Council and complied with thereafter."

It should be noted that any agreed Construction Management Plan does not prejudice further agreement that may be required for things such as road closures or hoarding licences

16 October 2012

Dear Sir/Madam

DRAFT
FOR INFORMATION ONLY - THIS IS NOT A FORMAL DECISION
Town and Country Planning Acts 1990 (as amended)

DECISION SUBJECT TO A SECTION 106 LEGAL AGREEMENT

Address:

**BARRIE HOUSE
29 ST EDMUNDS TERRACE
LONDON
NW8 7QH**

Proposal:

DECISION
Erection of 3-storey building with basement (following demolition of Porters Lodge) for use as a single-family dwellinghouse (Class C3).

Drawing Nos: Site Location Plan (5004_PL_01) ; 5004_PL_02 - 07; 08A; 09A; 10 - 13; 14A; 15 - 18; 5004_PL_20_Lifetime Homes Statement; 5004_PL_22_The Lodge Barrie House Sustainability Statement; Code for Sustainable Homes Pre-Assessment Report (by Alderman Owen); Basement Impact Assessment (by Maund Geo-Consulting, dated 20/01/2012).

The Council has considered your application and decided to grant permission subject to the conditions and informatives (if applicable) listed below **AND** subject to the successful conclusion of a Section 106 Legal Agreement.

The matter has been referred to the Council's Legal Department and you will be contacted shortly. If you wish to discuss the matter please contact **Aidan Brookes** in the Legal Department on **020 7 974 1947**.

Once the Legal Agreement has been concluded, the formal decision letter will be sent to you.

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:
Site Location Plan (5004_PL_01) ; 5004_PL_02 - 07; 08A; 09A; 10 - 13; 14A; 15 - 18; 5004_PL_20_Lifetime Homes Statement; 5004_PL_22_The Lodge Barrie House Sustainability Statement; Code for Sustainable Homes Pre-Assessment Reprt (by Alderman Owen); Basement Impact Assessment (by Maund Geo-Consulting, dated 20/01/2012).

Reason:

For the avoidance of doubt and in the interest of proper planning.

- 3 All trees on the site, or parts of trees growing from adjoining sites, unless shown on the permitted drawings as being removed, shall be retained and protected from damage to the satisfaction of the Council. Details shall be submitted to and approved by the Council before works commence on site to demonstrate how trees to be retained shall be protected during construction work: such details shall follow guidelines and standards set out in BS5837:2005 "Trees in Relation to Construction"

Reason: To ensure that the Council may be satisfied that the development will not have an adverse effect on existing trees and in order to maintain the character and amenities of the area in accordance with the requirements of policy CS15 of the London Borough of Camden Local Development Framework Core Strategy.

- 4 The development hereby approved shall not commence until such time as a suitably qualified chartered engineer with membership of the appropriate professional body has been appointed to inspect, approve and monitor the critical elements of both permanent and temporary basement construction works throughout their duration to ensure compliance with the design which has been checked and approved by a building control body. Details of the appointment and the appointee's responsibilities shall be submitted to and approved in writing by the Council prior to the commencement of development. Any subsequent change or reappointment shall be confirmed forthwith for the duration of the construction works.

Reason: To safeguard the appearance and structural stability of neighbouring buildings and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Development Policies and policy DP27 of the London Borough of Camden Local Development Framework Development Policies.

- 5 Notwithstanding the provisions of Article 3 of the Town and Country Planning (General Permitted Development) Order 1995 as amended by the (No. 2) (England) Order 2008 or any Order revoking and re-enacting that Order, no development within Part 1 (Classes A-H) [and Part 2 (Classes A-C)] of Schedule 2 of that Order shall be carried out without the grant of planning permission having first been obtained from the Council.

Reason: To safeguard the visual amenities of the area and to prevent over development of the site by controlling proposed extensions and alterations in order to ensure compliance with the requirements of policies CS14 and CS5 of the London Borough of Camden Local Development Framework Core Strategy and policies DP24 and DP26 of the London Borough of Camden Local Development Framework Development Policies.

- 6 The lifetime homes features and facilities, as indicated on the drawings and documents hereby approved (5004_PL_20_Lifetime Homes Statement) shall be provided in their entirety prior to the first occupation of any of the new residential units and shall be permanently maintained and retained thereafter.

Reason: To ensure that the internal layout of the building is acceptable with regards to accessibility by future occupiers and their changing needs over time, in accordance with the requirements of policy CS6 of the London Borough of Camden Local Development Framework Core Strategy and policy DP6 of the London Borough of Camden Local Development Framework Development Policies.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 2363).
- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 Reasons for granting permission.

The proposed development is in general accordance with the London Borough of Camden Local Development Framework Core Strategy, with particular regard to

policies CS5 (Managing the impact of growth and development), CS6 (Providing quality homes), CS11 (Promoting sustainable and efficient travel), CS13 (Tackling climate change through promoting higher environmental standards), CS14 (Promoting high quality places and conserving our heritage), CS15 (Protecting and improving our parks and open spaces and encouraging biodiversity), CS18 (Dealing with our waste and encouraging recycling) and the London Borough of Camden Local Development Framework Development Policies, with particular regard to policies DP2 (Making full use of Camden's capacity for housing), DP6 (Lifetime homes and wheelchair housing), DP16 (The transport implications of development), DP17 (Walking, cycling and public transport), DP18 (Parking standards and limiting the availability of car parking), DP19 (Managing the impact of parking), DP22 (Promoting sustainable design and construction), DP23 (Water), DP24 (Securing high quality design), DP25 (Conserving Camden's heritage), DP26 (Managing the impact of development on occupiers and neighbours), DP27 (Basements and lightwells), DP28 (Noise and Vibration). For a more detailed understanding of the reasons for the granting of this planning permission, please refer to the officers report.

- 4 The Mayor of London intends to introduce a Community Infrastructure Levy (CIL) to help pay for Crossrail on 1st April 2012. Any permission granted after this time will need to pay a CIL including those submitted before April. This CIL will be collected by Camden on behalf of the Mayor of London. From April Camden will be sending out liability notices setting out how much CIL will need to be paid if an affected planning application is implemented and who will be liable. The proposed charge in Camden will be £50 per m2 on all uses except affordable housing, education, healthcare, and development by charities for their charitable purposes. You will be expected to advise us when planning permissions are implemented and we will issue a CIL demand notice setting out what monies needs to paid when and how to pay The CIL will be collected from Camden on behalf of the Mayor.
- 5 You are advised that the Council will expect all new buildings and structures to be as energy efficient and sustainable as is reasonably practicable and welcomes the measures that have been indicated to date.
- 6 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted. Information/drawings relating to the discharge of matters covered by the Heads of Terms of the legal agreement should be marked for the attention of the Planning Obligations Officer, Sites Team, Camden Town Hall, Argyle Street, WC1H 8EQ

Yours faithfully
