

Solid, inward opening timber framed doors.
Doors will be frame and rail construction,
externally clad in full height, solid timber boards
to correspond with existing gate.

Elevation

Plan

NOTES

All Dimensions are from structure to structure unless indicated otherwise.

Elements of structure and services are indicated for coordination purposes. For full structural and services layouts refer to Structural and Services Engineers' drawings

Do not scale directly from drawing. All dimension to be checked on site prior to construction or fabrication of any elements.

Any discrepancies between figured dimensions to be reported to architect for clarification prior to commencing work.

For legend see signature sheet 103_007_001.
