

Mr. Alan Wito

Senior Planner
Conservation Department
London Borough of Camden
Town Hall
Argyle St.
London
WC1H 8ND

Dear Mr Wito,

RE: Planning Ref: 2011/4196/P - Discharge of Condition No. 5

Full Planning Consent

Application No: 2011/4196/P

Address: John Kirk House, 31 - 32 John Street, London, WC1N 2AT.

Condition No. 5 states,

"Before the use commences, the air source heat pumps shall be provided with acoustic isolation and sound attenuation details of which shall have been submitted to and approved by the Council, prior to commencement of use of the scheme. The acoustic isolation shall thereafter be maintained in effective order to the reasonable satisfaction of the Council"

Please find attached the following documents,

- A. "L60D-AL1515" Acoustic performance details of proposed noise attenuation screen to the roof of 31-32 John St.
- B. "39728D.001A" Workshop drawings of proposed noise attenuation screen.
- C. P_14 Proposed Roof Plan – Consented Roof Plan showing proposed location of screen.

For any further details please contact me at the details below,

Tim Blackwell
