Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Request for Observations to Adjoining Borough - No objection

Address:
Emirates Stadium
Queensland Road
Islington
London
N7 7AJ

Proposal:

Request for observations from the adjoining borough of Islington for Scoping Opinion in relation to proposals by Arsenal Football Club to vary condition AG27 and also conditions AG20 and AG26 (which also reference the number of events permitted) of planning permission ref: P052891 (which amended planning permission ref: P011500 granted in May 2002. Condition AG27 states that at the Emirates (Arsenal) Stadium: 'there shall be no more than 6 non-association football single day major events (of which a maximum of 3 could be music concert events) in any 12 month period of which total no more than one shall be on a Sunday and not more than one on a Bank Holiday'.

The proposals seek to extend the number of days that (major) events can be held at the Stadium to up to 9. All of those 9 events could be music / concert events. This scoping opinion is requested in accordance with Regulation 13(1) of the Town and Country Planning (Environmental Impact Assessment) Regulations 2011.
