Dear Sir / Madam

(APPLICATION REF: 2011/6016/P)**

With reference to Planning Condition No. 22 for the proposed re-development at Mount Pleasant – Camden, we confirm the following:

I will be acting as Project Engineer for the duration of the project acting on behalf of Rolton Group Ltd who are appointed by Willmott Dixon to undertake Civil and Structural Engineering Consultancy Services. I am a suitably qualified Chartered Engineer and a Member of The Institution of Structural Engineers and attach relevant certificates.

My role on the project will involve the inspection, approval and monitoring of critical elements of both temporary and permanent works for the duration of any basement construction to ensure compliance with the design, which will have been checked and approved by a building control body.

We trust the above is sufficient to close out Planning Condition No. 22, however should you require any further information please do not hesitate in contacting me.
