General Note:

A post demolition survey of the existing building has not yet been carried out. Hawkins\Brown can take no responsibility for the accuracy of survey information on this drawing as the survey is provided by others. A check survey to confirm the setting out requirements should be carried out prior to starting construction work on site.

Any setting out dimensions included on these drawings are based on information regarding the existing building provided by others.

Roofing Note:

Replace all existing rainwater goods with anodised aluminium rainwater pipes and gutters as RWS-01, and RWS-02. Replace all internal rainwater drainage with new plastic RWP's as RWS-06. Refer to Services engineer's design and specification

Where installing new central pivot roof lights into existing plain tile and slate roofs ensure that the roof construction is made good as ALT-13a and ALT-13b.
