3. Description of the Proposal

Please provide a description of the proposal, including details of the proposed demolition:

It is proposed to partially demolish the existing building and repurpose the structure for a residential family home. The massing of the building has been designed not to exceed the scale of the existing building facing the street, and will be constructed to the Passivhaus standard. The intention is to create a refined, low energy, 3 bedroom single family home with new basement that is sensitive to it's surroundings and to the mews typology. The facade and internal structure will be demolished, whereas party walls will be retained to minimise disruption to neighbouring properties.

Has the building, work or change of use already started? Yes No
