

Proposed new garden building, Flat 2, 10 Murray Street,  
Camden Town, London, NW1 9BR.

---

Design and access statement.

The proposed garden building will be used for domestic recreational purposes only and will be for the sole use of the applicant.

In order to blend with the style and feel of the courtyard type garden, the building will be in timber painted "Sage green". The roof will be a "Green roof" planted with six types of Sedum.
