Having referred to the guidance notes, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, OR
a) Protected and priority species
Yes, on the development site Yes, on land adjacent to or near the proposed development No
b) Designated sites, important habitats or other biodiversity features
Yes, on the development site Yes, on land adjacent to or near the proposed development   No
c) Features of geological conservation importance
Yes, on the development site Yes, on land adjacent to or near the proposed development • No
15. Existing Use
Please describe the current use of the site:
residential
Is the site currently vacant?  • Yes • No  If Yes, please describe the last use of the site:  residential
When did this use end (if known) (DD/MM/YYYY)?
Does the proposal involve any of the following?  If you will peed to submit an appropriate contamination assessment with your application.
If yes, you will need to submit an appropriate contamination assessment with your application.  Land which is known to be contaminated?  Yes  No
Land where contamination is suspected for all or part of the site?  Yes  No
A proposed use that would be particularly vulnerable to the presence of contamination?  Yes No
16. Trees and Hedges
Are there trees or hedges on the proposed development site?  Yes  No
And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?  Yes No
If Yes to either or both of the above, you <u>may</u> need to provide a full Tree Survey, at the discretion of your local planning authority. If a Tree Survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to construction - Recommendations'.
17. Trade Effluent
Does the proposal involve the need to dispose of trade effluents or waste?  Yes No
18. Residential Units
18. Residential Units  Does your proposal include the gain or loss of residential units?  • Yes • No
