Details of the pre-application advice received:

Dear Mr Rodriguez-dupont,
Thank you for your enquiry. I can confirm that the proposed alteration to the roof may be considered a minor material amendment which would require the submission of an application for the variation of a condition. Condition 3 of the original permission set outs details of the approved plans. This condition will need to be varied so that drawings of the revised proposal are substituted for the approved drawings.
In addition to the normal validation requirements, you should submit three sets of drawings marked 'as existing', 'as approved' and 'as proposed' to be read in conjunction with a schedule setting out the differences, describing the nature and extent compared with that originally approved.
I trust this information is of assistance. Should you have any further queries please do not hesitate to contact me by telephone on 020 7974 5262.
Kind regards
David Peres da Costa
Planning Officer
