dimensions:  
This drawing has been prepared from a  
survey drawing that was based on rough  
survey measurements that were taken  
for OUTLINE DESIGN PURPOSES ONLY,  
which is NOT likely to be as precise as a  
full measured survey. As a result, no  
warranty as to the precision of the  
dimensions indicated or illustrated can  
be given. While this drawing can be used  
as a base drawing for construction and  
quotation purposes, due to the nature of  
the measurements on which it is based,  
it is VERY IMPORTANT that all  
dimensions are checked carefully  
before any work commences or any  
materials are ordered. If any  
discrepancies are noticed between this  
drawing and any other contract  
document then please contact Paul  
McAnearney Architects Ltd immediately.
