By email and uploaded to planning portal

31st July 2012

Dear Sirs

Ref 2103310 v1: 63 Quickswood London NW3

It has come to our attention that one of the files uploaded to the planning portal as part of the recent planning application made for the site at 63 Quickswood NW3 (Ref 2103310 v1) had the incorrect drawing title & no noted on the drawing (the pdf file name was correct, as was the information it contained, but the name and drawing number on the drawing itself was incorrect & did not correspond).

We have therefore replaced the drawing with one that is correctly labelled. The drawing is:

1276_E02_Existing Elevations.pdf.

We understand our application can now be processed and validated.

I look forward to hearing from you,

CATHERINE BURD
