

A-A FRONT DOOR SECTION - PROPOSED Scale: 1:10

1. This drawing and design remains the copyright of Edward Philips and shall not be copied in any format without their specific approval in writing. The issue of the drawing in digital format (on CD or via email) entitles the named recipient only to utilise the elements of the drawing that are visible in paper space at the time of issue for the purposes of the named project only.

2. Edward Philips accept no resposibility for the accuracy or currency of data on digitally issued drawings that, at the time of issue, is not visible in the paperspace viewport or is located on layers or classes that are switched off or frozen.

3. The Contractor is responsible for checking dimensions, tolerances and information. Where this drawing relates to existing or partially completed constructions, the Contractor or thier Sub Contractors shall check that there is no conflict between actual building dimensions and those given on this drawing. Any discrepancies to be verified with Edward Philips before preparing shop drawings or proceeding with the works.

5. Where drawings contain cross-references to a written specification, that specification shall carry equal precedence with the drawing.

6. Do not scale from this drawing. Figured dimensions are to be worked to in all cases.

7. All dimensions are in millimeters unless stated otherwise.

8. Workmanship and materials are to be in accordance with all relevant British Standards, Codes of Practice, Agrément Certificates and Manufacturer's written instructions that are current at the commencement of the works. All components and materials are to be utilised strictly in accordance with the manufacturer's written instructions.

9. The inclusion on this drawing of any elements of the works that are subject to detailed design by other parties (whether consultant or specialist supplier / sub contractor) is purely indicative and is incorporated solely to illustrate it's relationship to the adjoining construction. The liability for the design of those elements shall lie entirely with the relevant designer.
