

*Actual measurements to be checked onsite
Contractor to contact architect if errors are found and alternative design is required
Structural engineers specification to take priority for detail(s)
In addition to these notes and drawings, reference shall be made to the specification
of works and the relevant Architects, Engineers and Specialists drawing and
specifications.
The contractor is responsible for verifying all site dimensions before commencing
work.
All dimensions are in millimeters unless noted otherwise
This drawing has been produced electronically and may have been photo reduced
or enlarged when printed or copied. Dimensions on this drawing shall not be scaled.
Work only to figured dimensions. Any dimensional discrepancies, errors or
omissions are to be reported to the architect immediately.
The contractor is responsible for the stability of the building whilst the works are in
progress.*
