Dear Sir/Madam

DECISION

Town and Country Planning Acts 1990 (as amended)

NO OBJECTION TO SECTION 211 NOTICE OF WORKS TO TREE/S IN A CONSERVATION AREA

Address:

**45 Gloucester Avenue
London
NW1 7BA**

Proposed Work:

REAR GARDEN: 1 x Lime - Remove.

The Council has considered your notification of intended works to trees dated 10 May 2012 and does not wish to object.

Informative(s):

- 1 This notice is valid for 2 years from the date of this letter or until the work is completed, which ever is the sooner.
- 2 You are advised that the appropriate standards for tree work are set out in BS 3998: 2010. Failure to ensure that the proposed works are carried out to these standards may result in damage to the tree(s) and may result in legal action by the Council.

- 3 Please note that any approval given by the Council does not give an exemption from the requirements to comply with the Wildlife and Countryside Act 1981 (as amended), or any other Acts offering protection to wildlife. Of particular note is the protection offered to bats, birds and their nests, whilst being built or in use. For further information contact Natural England on 0300 060 2634.
- 4 Due to the presence of many other larger more mature trees, and other younger trees growing in close proximity to the Lime in question, it is considered the removal of this tree would not be detrimental to the character of this part of the conservation area.

Yours faithfully

Rachel Stopard
Director of Culture & Environment
