

**Submission of Details Pursuant to Condition 2a of Reserved Matters Approval
2010/6688/P**

This document accompanies the application for discharging condition no. 2a of Reserved Matters Approval 2010/668/P which relates to the external finishes to the façade of block J.

Figure 1 represents the sample panel board presented on 22nd May 2012 which was reviewed and approved by Edward Jarvis of Camden Planning. Details of each sample for the façade are categorised into the relevant material groups and include photographs and product references for each sample.

Figure 1- Façade Sample Panel
