ELEVATIONS
PIERCECROFT AVENUE
LONDON

Job No. 10773

Scale 1:100

Surveyor D.Heston

Date June 2008

Checked GWP

CLIENT

BAI Architects
30-33 Market Street
Ipswich
SM16 2AP

NOTES

The horizontal position of the surveying line is based on Ordnance Survey data as measured by GPS.
Coordinates used: The OSNED coordinate system applied by the UK. It has been assumed a mean sea level on 1950 to establish the ground elevations, based on vertical datum.

The vertical position of the survey is based on OSNED data as measured from GPS.
The datum used is the OSNED datum.
The DATUMS transformation is displayed by the OS. This datum is the datum used for the survey.
The datum used for the survey is the datum used for the survey.

Please note that this drawing has not been drawn by BUJ Architects. It has been downloaded from the Planning Application section of the Camden Council website (Ref: 9005417 dated 26Jul1990). This drawing attached is Revision D. According to the letter regarding the permission for this application it should be revision E, however revision D is the document attached for the application within Camden Council planning application archives. Knowing that this is not the approved revision, we have decided to include this drawing as relevant information due to its close similarity to the Existing garage.
