

Proposed Front Elevation

Proposed Rear Elevation

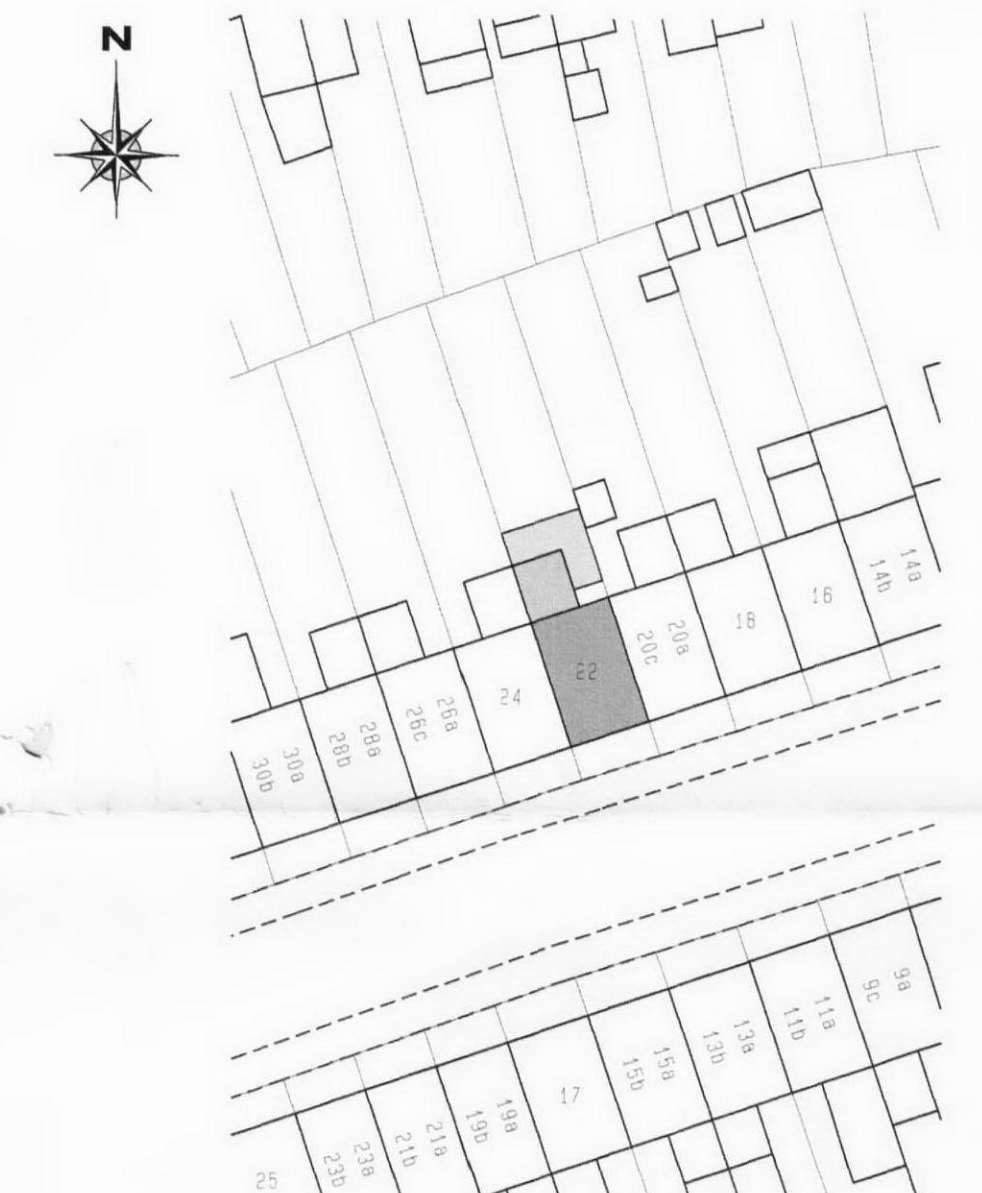

Proposed Right Side Elevation

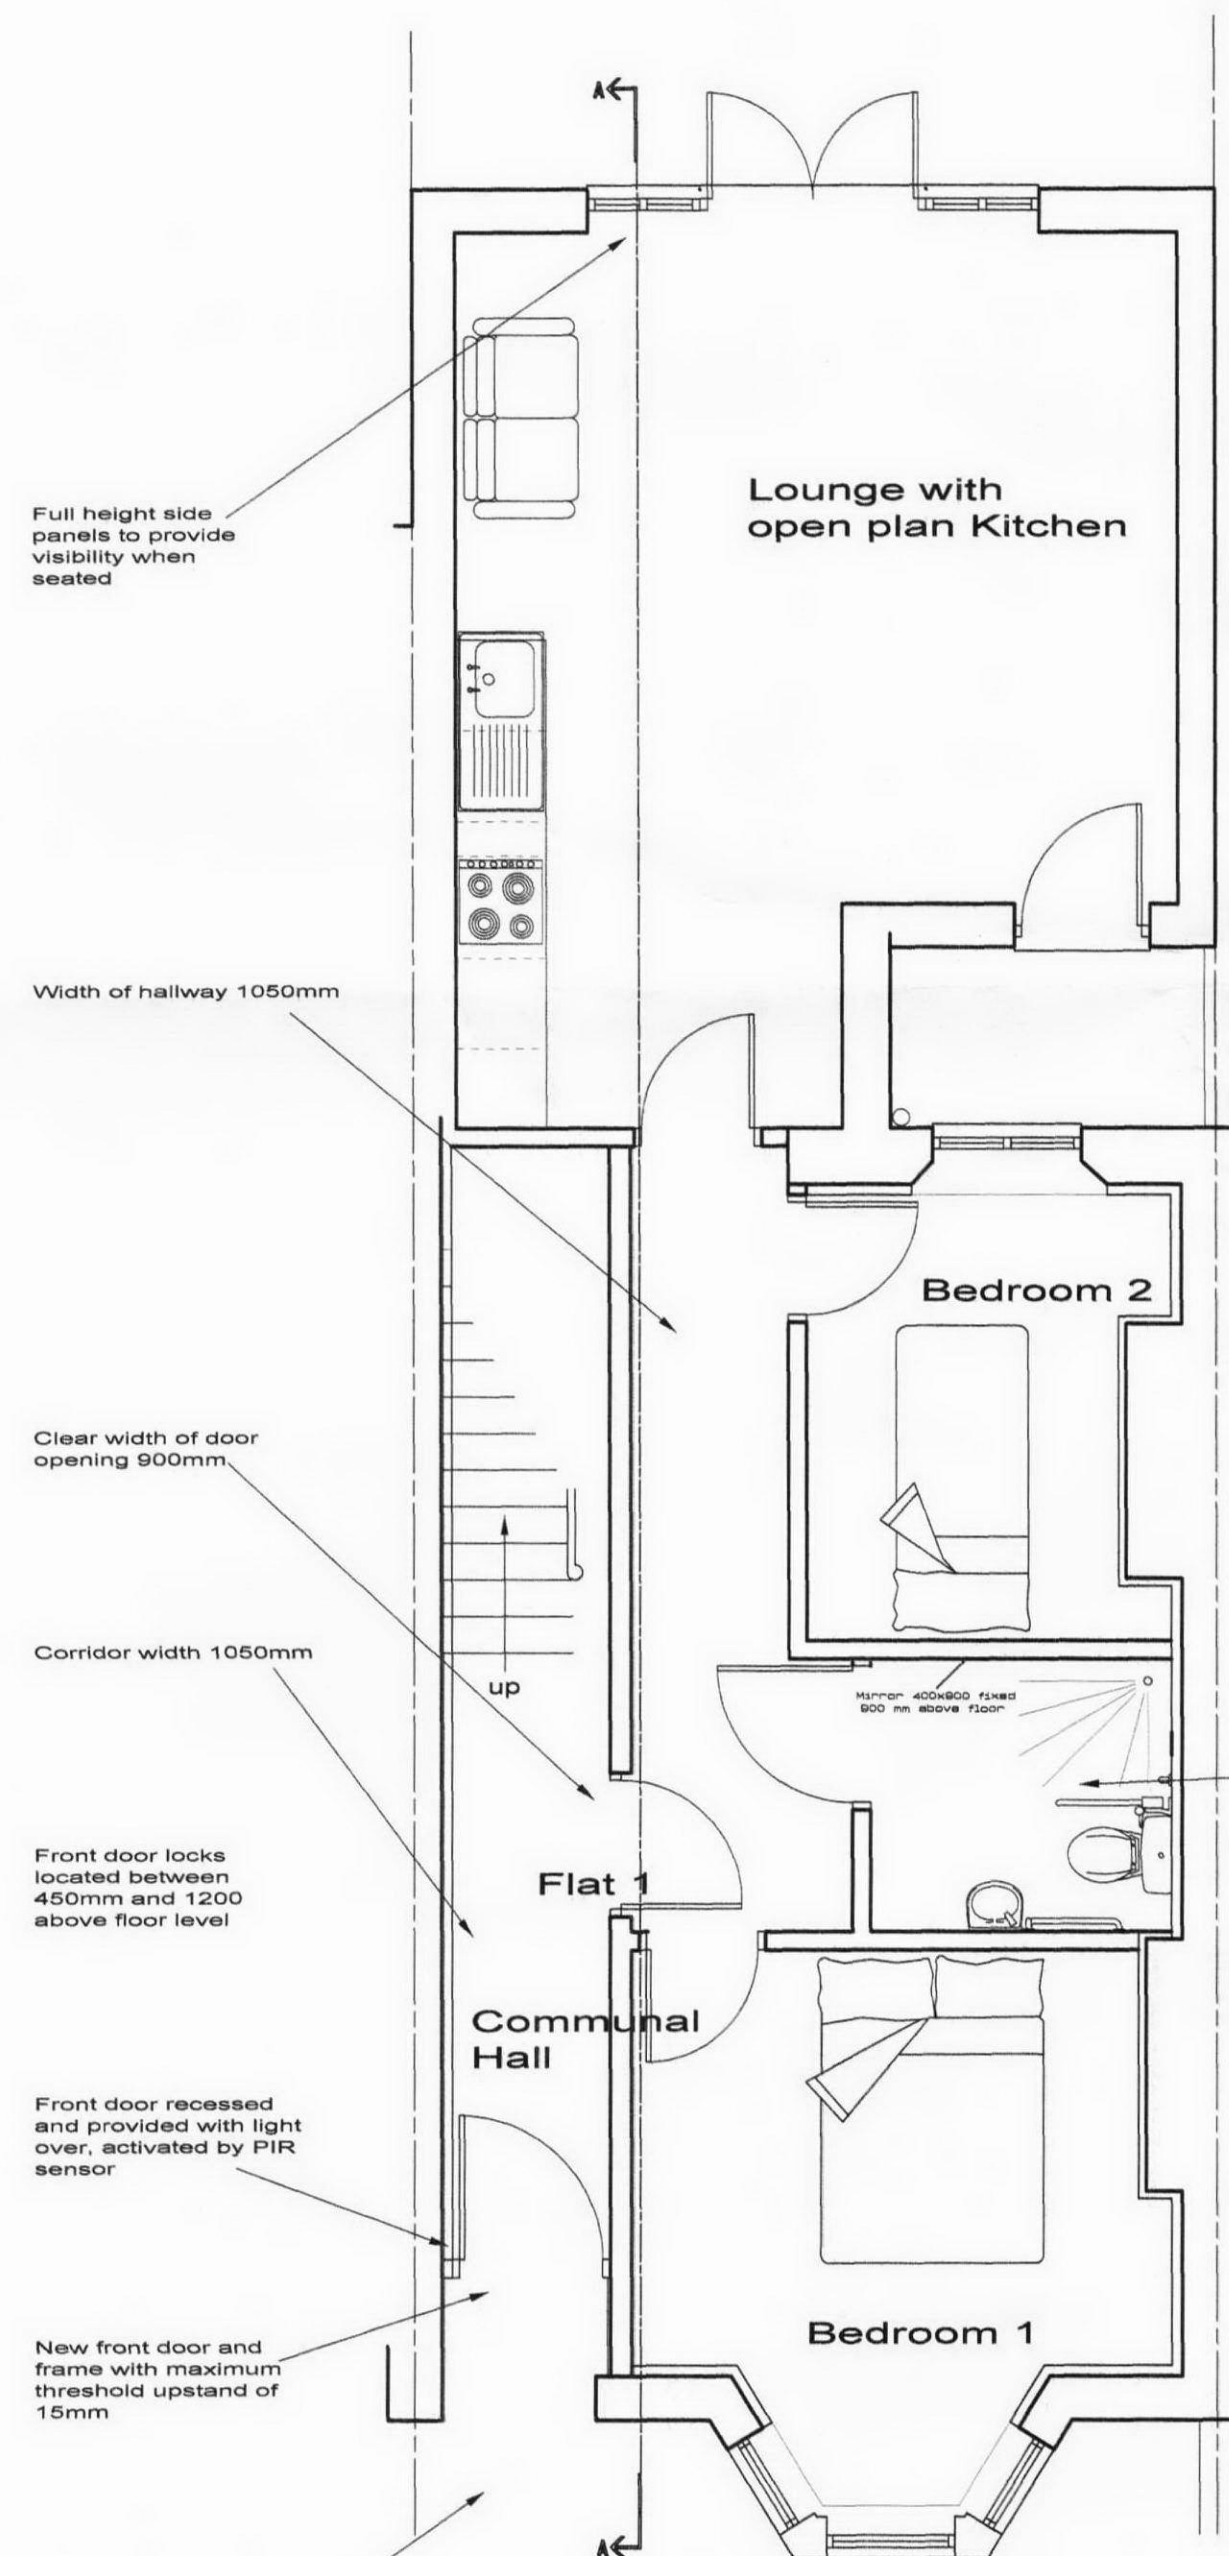

Section A - A

NOTE :- Existing walls to be upgraded for sound insulation and fire separation, and where applicable, new metal framed separating walls to be used.

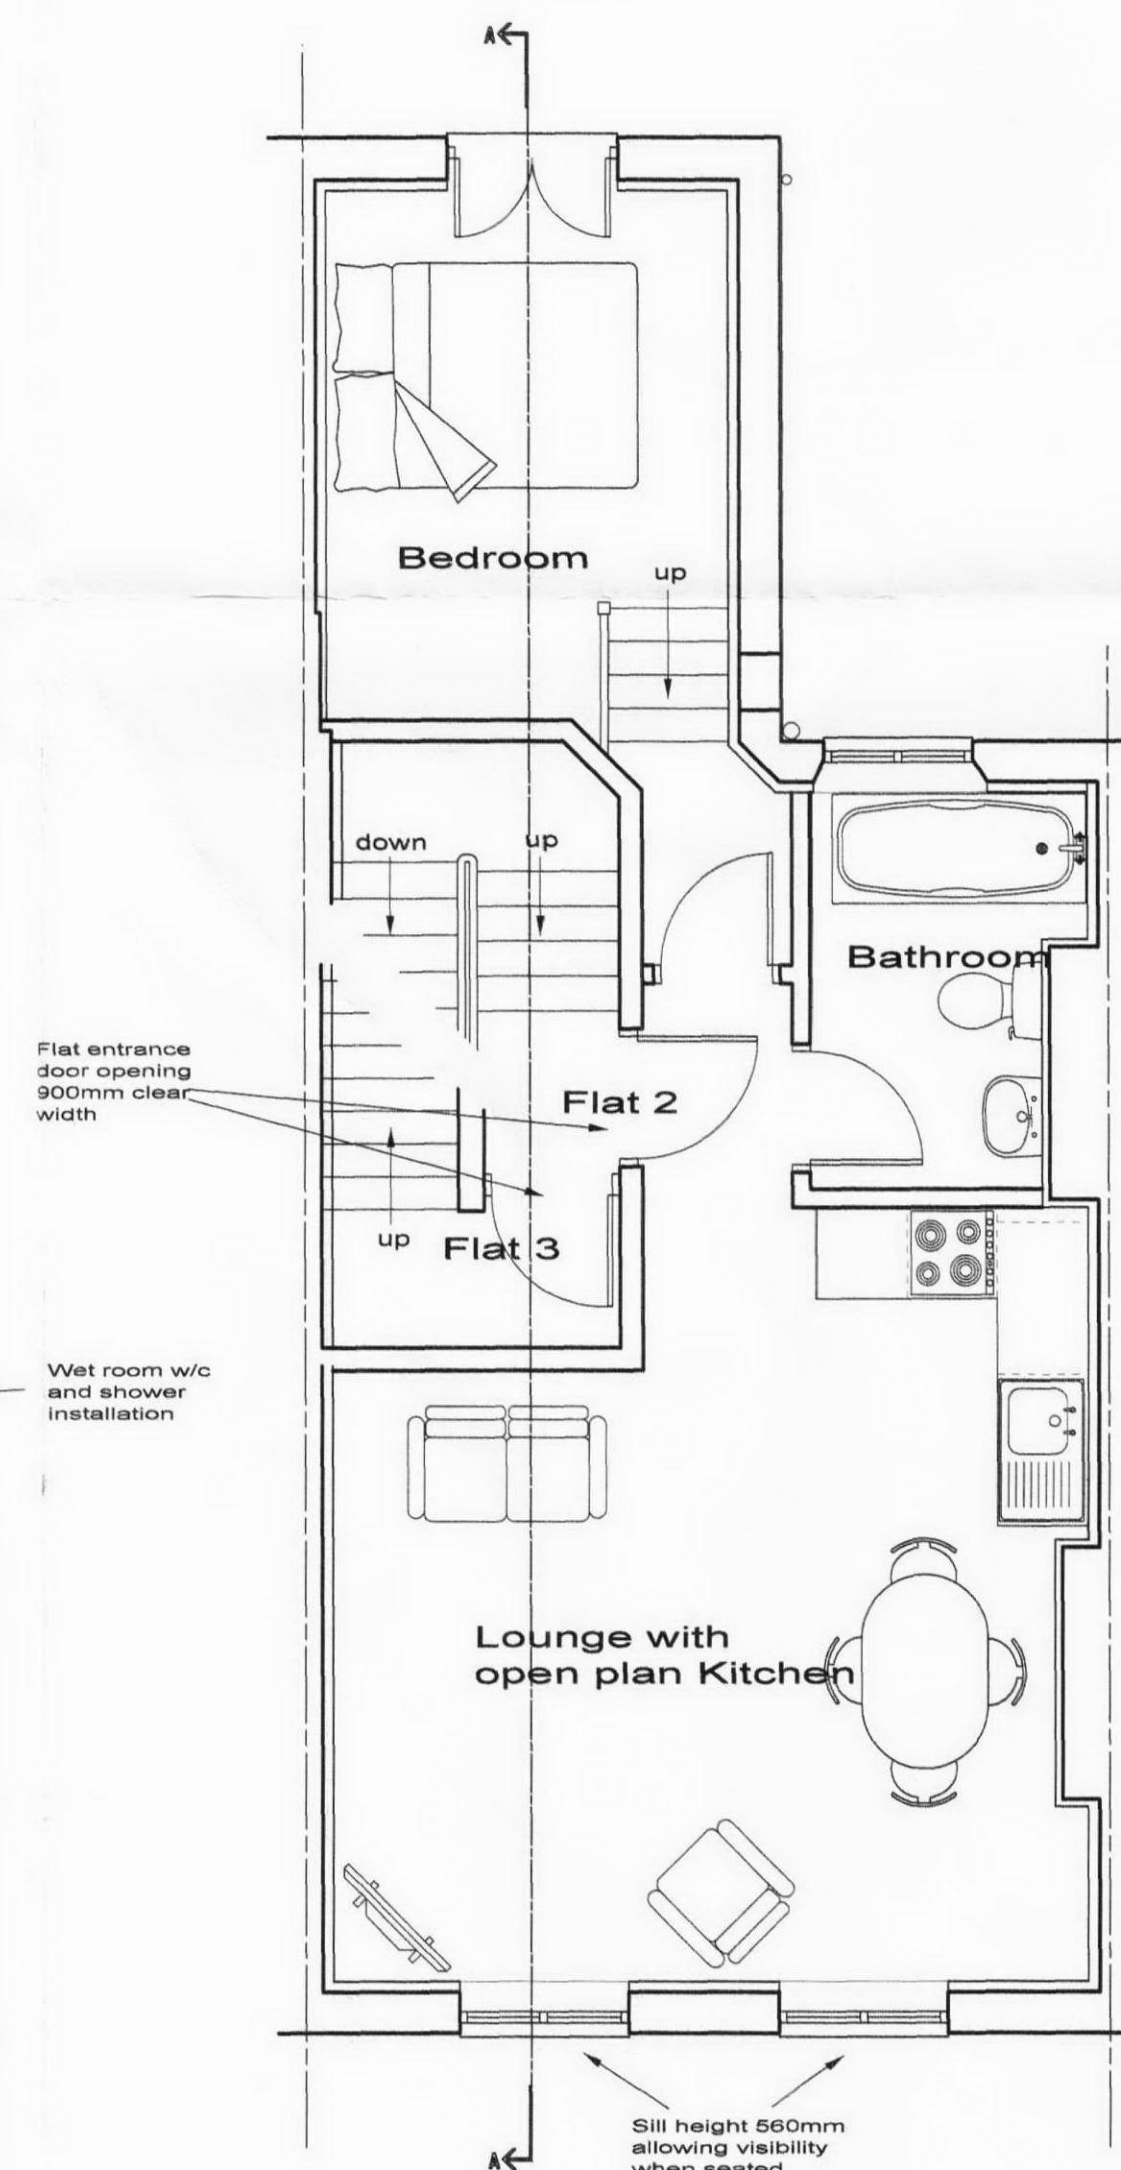

LIFETIME HOMES :- All bathroom walls to be lined with 12.5mm plywood to allow secure fixing of grab rails etc. Ceilings to be reinforced with additional joists and noggins to allow potential later fitting of hoists to permit access from bed space to bathrooms. Window handles to be less than 800mm above floor level. All boiler controls to be fitted between 450mm and 1200mm above floor level. All shower trays to be 'NO STEP' units.

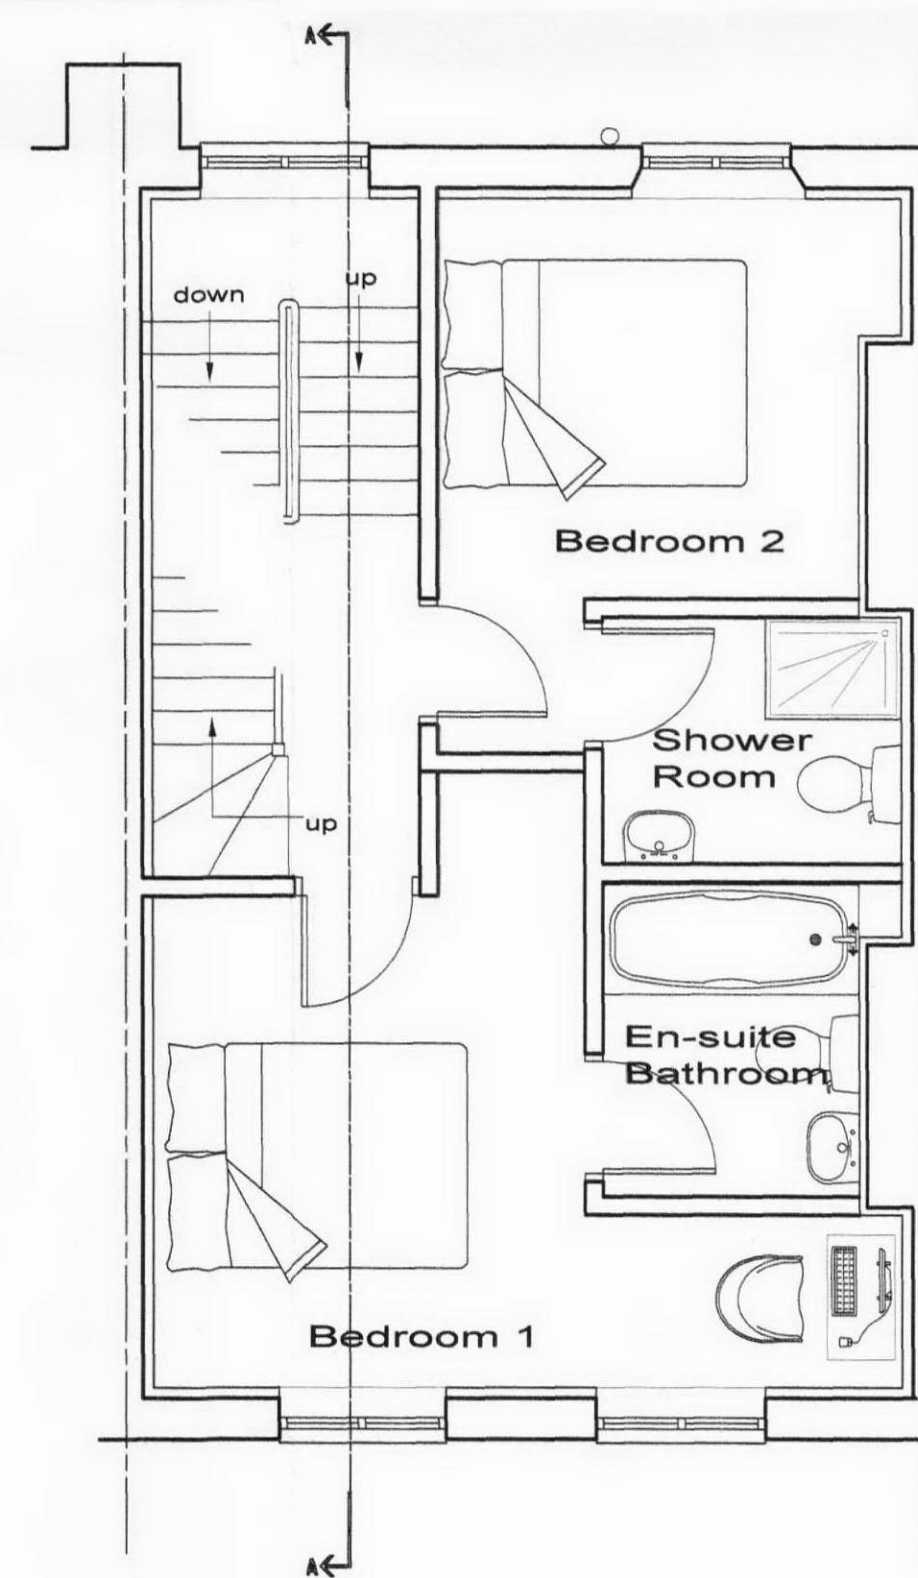

Block Plan Scale 1/500
