Dear Ms Whelan,

CROSSRAIL ACT 2008 - Schedule 7 Construction Arrangements (Road Transport)
Westminster City Council – Submission Ref: WES/1/8
Bond Street Station Worksite – Additional Lorry Routes

The Crossrail Act 2008 establishes the principle and alignment of Crossrail. There are, however, a number of outstanding matters which need approval from the local planning authorities.

The purpose of this letter is to invite your comment on a submission relating to the construction of Crossrail that has recently been lodged with Westminster City Council.

For this submission, paragraph 7 of Schedule 7 to the Crossrail Act 2008 sets out the grounds on which the planning authority may consider and determine this submission for construction arrangements approval. The grounds are set out in the right hand column of the table in subparagraph 2 of paragraph 7.

Under paragraph 26 of Schedule 7 to the Crossrail Act 2008, we enclose one copy of the submission on behalf of the above planning authority which will be pleased if you will forward any observations you may wish to make to it within 21 days of the date of receipt of this letter. Unless the case officer hears to the contrary within this timescale it will be assumed that you have no comments to make. The case officer is:
