On site meeting - The submitted design incorporated metal mesh - this design was discussed onsite. The design has now been modified due to cost cutting measures and more closely resembles the design approved as part of the original application (2011/2676/P). In broad terms Charles expressed a view that cleanly detailed metal balustrade/privacy screens would be inkeeping with the industrial character at the rear.

5. Description of Proposal

Please provide a description of the approved development as shown on the decision letter:

Alterations to approved scheme ref 2011/2676/P
approved scheme: Alteration and extension of existing victorian building involving a change of use from B1(a) office use to permanent C3 residential use with 2no dormer roof extensions and rear extension.
Proposed alterations/additions to approved scheme:
- Changes to the character of the approved rear extension
- Changes to existing/approved fenestration
- Incorporation of new roof top terrace
