TOWN AND COUNTRY PLANNING ACT 1990

Application Ref: **2012/0727/P**

The Proposed Work: **Erection of 1x ~~dormer extension to front roof slope~~ 1x dormer to rear roof slope and 1x dormer with associated terrace in side roof slope (following removal of existing dormer) and installation of 3x roof lights to front elevation in connection with creation of habitable space within roof.**

Address: **20 Redington Road, London NW3 7RG**

Dear Mr Freeney,

Following receipt of your email today, 02nd April, and your comment re dormer to front elevation being not suitable, we have amended the drawings as attached with this email.

The dormer to front elevation has been shown replaced with conservation type roof light to match two adjacent to front pitch roof as proposed originally.

As per the above revision, please find attached with this email four revised drawings, namely as follows;

Proposed Second Floor Plan – dwg no. **100-rev 02**;

Proposed Roof Plan - dwg no. **101-rev 02**;

Existing and Proposed Cross Sections A, B, C and D – dwg no. **110-rev 03**;

Proposed Front Elevation – dwg no. **120-rev 01**.

All drawings are at full scale 1:50 at A1 size paper (or 1:100 scale if printed on A3 sized paper), in Acrobat Reader .pdf format.

We would kindly ask to accept the information as provided and to amend your case file to include the same and in order to assist in determination of our application.

Should you require any further information in relation to this planning application, please do not hesitate to contact us as per our correspondence details above.

Yours Faithfully,

Dusan Savic
