I support this application both in my capacity of owner with my brother of 5 Mulberry Close, and with family of 1 Mulberry Close, as well as chairman of Mulberry Close Residents Assn who unanimously recommended installation of gates at a previous meeting

The gates would give us security: we have had a corner house front door pushed in by burglars and several times recently police have been called to a vagrant laying in front of the door of a house there.

We are continually being used as a car park and for vans and lorries to reverse (and sometimes park in the courtyard, but agents have been very slow putting this application to you and I would welcome, on the part of all residents here, your approval of our proposal

Chairman Mulberry Residents Assn
Co-owner of No. 1 and No 5
