Dear Sir

BASEMENT 24 HATTON GARDEN

I attach an application for planning permission for change of use of the above property to dental surgery.

A similar application – your reference 2011/5885/P - was submitted last year but was withdrawn. This application is on behalf of the same applicant.

No fee is required

The application, which is to be submitted via the planning portal, comprises

- Forms
- Location plan
- Planning statement
- Existing floorplan
- Proposed floorplan

I trust the application is in order

Clifford Rance MRTPI
