

Notes

Drawings are based on survey data and may not accurately represent what is physically present.

Do not scale from this drawing. All dimensions are to be checked on site and any discrepancies noted in writing to the Employer's Representative. All dimensions are in millimetres unless noted otherwise.

Drawings to be read in conjunction with the Architectural Specification and other relevant information, including the schedules and Engineer's documents.

Paving hatches are indicative and represent design intent only. Final paving direction and size should be established on site.

External setting out by Engineers; to be approved on site by PA.

Bollard locations are indicative; exact locations to Specialist Contractor's specification.

Contractor to allow for 4No. removable bollards for costing purposes

Trolley Corral locations are indicative; final positions to be agreed

For all levels information refer to Engineer's drawings

For drainage strategy and locations refer to Engineer's drawings
