<b>CAAC/Local groups* comments:</b> *Please Specify		Belsize CAAC Object – The proposed rooflights are too many and too large					

## **Site Description**

The site relates to a 3 storey terraced residential property located on the east side of Glenmore Road. The alterations are in connection with the top floor flat. The property is not listed but is located in the Belsize Park Conservation Area which is also subject to an Article 4 direction.

## **Relevant History**

2011/6424/P - Certificate of lawfulness approved for 3 roof lights to the rear slope of the roof in association loft conversion of dwelling (Class C3) – Approved

DP24 Securing high quality design; DP25 Conserving Camden's heritage; DP26 Managing the impact of development on occupiers and neighbours

### **Camden Planning Guidance 2006 (as amended)**

### **Belsize Conservation Area Statement**

## Assessment

The application is for the insertion of 2 x rooflights on the front roof pitch. Following advice from the conservation officer the rooflights have been reduced from 3 to 2. The rooflights measure approximately 0.3m x 0.3m.

- The roof lights are proportioned to be significantly subordinate in size and number and given the shallowness of the roof slope are not considered to adversely impact upon the character and appearance of the building and wider streetscape.
- The proposal has included conservation specification roof lights, which are appropriate to a conservation area, and are acceptable.
- The proposed rooflights offer no opportunity to overlook neighbouring properties, and therefore amenity levels would be preserved.

The proposal would preserve the character and appearance of the conservation area and is therefore acceptable.

**Recommendation:** Approve

## DISCLAIMER

**Decision route to be decided by nominated members on Monday 5<sup>th</sup> March 2012. For further information see**
