29 February 2012

Dear Mr Smith,

London 2012 Temporary Media Transport Hub, Bloomsbury – Discharge of Condition 5.

I write in connection with the above site which was granted planning permission for:

“Erection of temporary structures and facilities including cabins, canopies and fencing for Media Transport Hub to support the London 2012 Olympic Games (Sui Generis)”.

We are now in a position to discharge condition 5, in pursuant to planning permission 2011/0348/P.

Condition 5

Prior to commencement of the development a Traffic Management Plan and Strategy shall be submitted to and approved in writing by the Local Planning Authority. The Traffic Management Plan and Strategy shall include:

- 1) Details of road closures and traffic management measures;
- 2) Details of revisions to existing controlled parking arrangements;
- 3) Vehicle management plan for vehicle movements within the vicinity of Russell Square including during installation and removal of the temporary structures.

London 2012 have had ongoing discussions with Camden’s Highways department. The Traffic Management Plan has been agreed in principle with Highways Authority prior to this application being submitted.

This application consists of the following documents;

- Cover letter
- Application form
- Transport Management Plan
- Application fee of £85

I trust this information is sufficient for you to register and proceed to determine this application, however, please contact Ben Thomas at bthomas@savills.com should you have any queries or require any further information.

Yours Sincerely

Neil Smith
