Application for Planning Permission. Town and Country Planning Act 1990

Publication of applications on planning authority websites.

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website. If you require any further clarification, please contact the Authority's planning department.

1. Applicant Na	ame, Address and Contact Details							
Title: Mr	First name: Peter	Surname: Cun	ningham					
Company name								
Street address:	2 Kings Terrace		Country Code	National Number	Extension Number			
	Camden Town	Telephone number:						
		Mobile number:						
Town/City	London	 Fax number:						
County:		rax number.						
Country:		Email address:						
Postcode:	NW1 0JP							
Are you an agent ac	cting on behalf of the applicant?	No						
2. Agent Name	, Address and Contact Details							
Title: Ms	First Name: Justyna	Surname: Rybi	nik					
Company name:	Crawford Partnership							
Street address:	1a Muswell Hill		Country Code	National Number	Extension Number			
		Telephone number:		02084441180				
		Mobile number:						
Town/City	London	Fax number:						
County:	Greater London	. an manne en						
Country:	United Kingdom	Email address:						
Postcode:	N10 3TH	justyna@crawfordpartn	ership.co.uk					
3. Description of	of the Proposal							
Please describe the proposed development including any change of use: The demolition of the existing dilapidated carpentry workshop. Construction of a new sustainable timber frame live/work dwelling. Dwelling is 3 floors with a flat roof, 3 bedrooms and one work space for 2-4 people with separate entrance. Constructed with timber on top of existing boundary walls, with cedar cladding. Massing fenestration similar to existing workshop. Emphasis on environmental responsibility: timber frame, planted sedum roofs, grey water re-cycling, photo-voltic panels ect Building backs onto embankment which rises above the dwelling to the south. No disruption of neighbours, or views and daylight to neighbouring properties. Has the building, work or change of use already started? Yes No								

4. Site Address	Details	
Full postal address of	of the site (including full postcode where available)	Description:
House:	Suffix:	
House name:		
Street address:	IVERSON ROAD	
Town/City:	LONDON	
County:		
Postcode:	NW6 2HH	
	ion or a grid reference d if postcode is not known):	
Easting:	525169	
Northing:	184671	
5. Pre-applicati		
Has assistance or pri	ior advice been sought from the local authority about this applicat	ion? Yes • No
6. Pedestrian a	nd Vehicle Access, Roads and Rights of Way	
Is a new or altered v	vehicle access proposed to or from the public highway?	◯ Yes
Is a new or altered p	pedestrian access proposed to or from the public highway?	Yes No
Are there any new p	public roads to be provided within the site?	s (No
	bublic rights of way to be provided within or adjacent to the site?	Yes • No
	quire any diversions/extinguishments and/or creation of rights of	
Do the proposals re-	quire any diversions examigus intents and/or or eation or rights of	
7. Waste Storaç	ge and Collection	
Do the plans incorp	orate areas to store and aid the collection of waste?	
Have arrangements	been made for the separate storage and collection of recyclable w	aste?
If Yes, please provide	e details:	
2012 - 191/100B		
8. Authority Em	nployee/Member	
(b) an ele (c) relate	Authority, I am: mber of staff ected member ed to a member of staff ed to an elected member Do any of these statements a	pply to you? Yes • No
9. Materials		
Please state what m	naterials (including type, colour and name) are to be used externall	y (if applicable):
Walls - description Description of existin	n: ing materials and finishes:	
Description of propo	osed materials and finishes:	
	untreated cedar vertical cladding. The cherry colour will weather ar in south elevation. Existing brick of boundary walls retained.	d fade to a silvery hue within a few months of installation. Black stained cladding at
Roof - description: Description of <i>existin</i>	ing materials and finishes:	
- December 11 C		
	osed materials and finishes: roofs. Shallow bed planted with wild grasses and flowers. No maint	ainable required. Completely water-tight.
	g. 2330 and notice to main	1 1 7

9. (Materials continued)								
Poundary treatments, description								
Boundary treatments - description: Description of existing materials and finishes:								
Description of <i>proposed</i> materials and finishes:								
Existing boundary walls retained as existing. Works will have			O Ver O Ne					
Are you supplying additional information on submitted p If Yes, please state references for the plan(s)/drawing(s)/d		tatement?	• Yes No					
plans, drawings, design and access statement	iosign und doods statement.							
10. Vehicle Parking								
Please provide information on the existing and proposed	number of on-site parking spaces:							
Type of vehicle	Existing number	Total proposed (including spaces	Difference in					
Cars	of spaces	retained) 0	spaces 0					
Light goods vehicles/public carrier vehicles	0	0	0					
Motorcycles	0	0	0					
Disability spaces	0	0	0					
Cycle spaces	0	0	0					
Other (e.g. Bus)	0	0	0					
Short description of Other								
11. Foul Sewage								
•								
Please state how foul sewage is to be disposed of:								
Mains sewer	Package treatment plant	Unknowr						
Septic tank	Cess pit							
Other								
Are you proposing to compact to the existing drainage ov	otom?							
Are you proposing to connect to the existing drainage system? Yes No Unknown								
12. Assessment of Flood Risk								
Is the site within an area at risk of flooding? (Refer to the B	Environment Agency's Flood Map sho	wing						
flood zones 2 and 3 and consult Environment Agency sta		authority						
requirements for information as necessary.)		Yes No						
If Yes, you will need to submit an appropriate flood risk as	ssessment to consider the risk to the p	roposed site.						
Is your proposal within 20 metres of a watercourse (e.g. ri	iver, stream or beck)?	Yes No						
Will the proposal increase the flood risk elsewhere?								
How will surface water be disposed of?								
Sustainable drainage system Main sewer Pond/lake								
Soakaway	Existing watercourse							
13. Biodiversity and Geological Conservation	on							
To assist in answering the following questions refer to the guidance notes for further information on when there is a reasonable likelihood that any important biodiversity								
or geological conservation features may be present or nearby and whether they are likely to be affected by your proposals.								
Having referred to the guidance notes, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, OR on land adjacent to or near the application site:								
a) Protected and priority species								
	n land adjacent to or near the propose	ed development	No					
		·						
b) Designated sites, important habitats or other biodiversity features								
Yes, on the development site Yes, or	n land adjacent to or near the propose	a development	No					
c) Features of geological conservation importance								
Yes, on the development site Yes, on land adjacent to or near the proposed development No								

14. Existing Use													
Please describe the current use of the site:													
	ry workshop				_								
	e currently vacant		C		No								
If yes, yo	Does the proposal involve any of the following? If yes, you will need to submit an appropriate contamination assessment with your application. Land which is known to be contaminated? Yes No
