

Sample G8 - Material reference AB.B04
Affordable Block balustrade glass

Sample G9 - Material reference AB.B03
Affordable Block balustrade glass

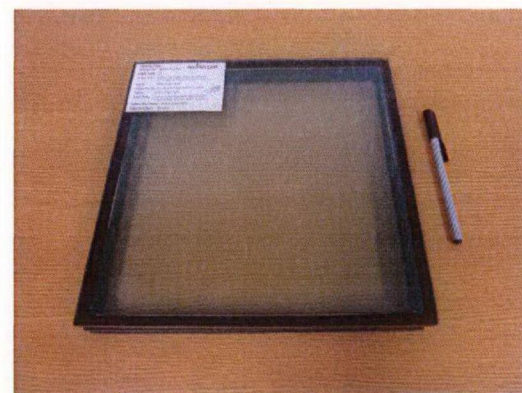

Sample G10 - Material references MT.B02, RT.C03
Balustrade glass

Sample G3 - Material references MT.W03, AB.W01
Insulated spandrel panel

Sample G2 - Material reference MT.W02
Market Tower glazing

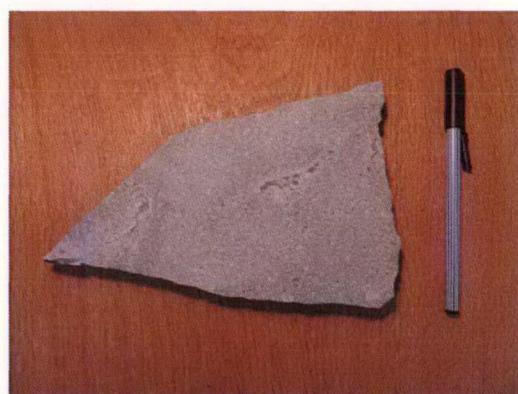

Sample G1 - Material references MT.G01, MT.G02, MT.G04, AB.G01, AB.G03
Market Tower and Affordable Block glazing

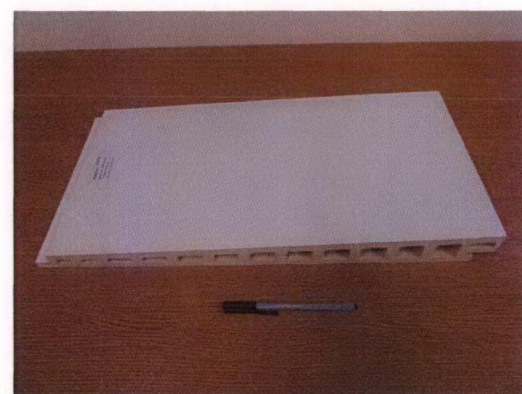

Sample G4 - Material reference HSO.G01
Office building glazing

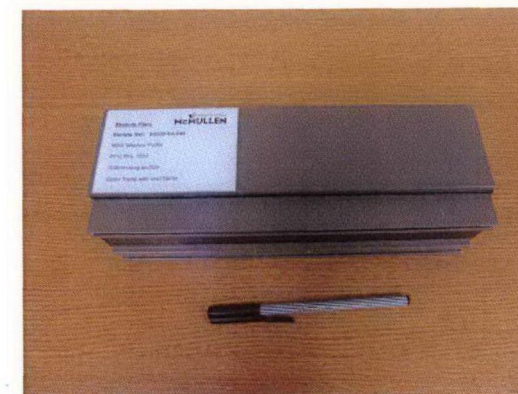

Sample G6 - Material reference MT.G03
Market Tower glazing

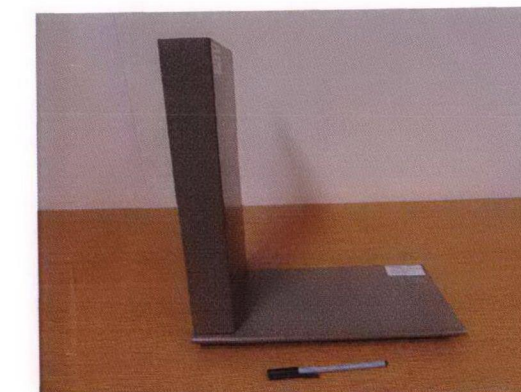

Material reference RT.W01, AB.W07
Podium lava stone cladding

Sample SA018 - Material reference AB.W03
Affordable Block terracotta cladding

Sample SA043
Typical Market Tower/Affordable Block window frame

Sample SA016
Market Tower window reveal and sill for weave elevations

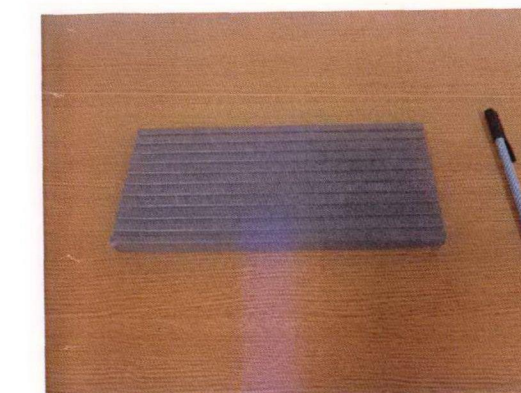

Sample SA001 - Material references AB.C01, AB.C04, AB.W02, AB.W04, AB.W05, AB.W06, MT.W01, MT.W05, MT.W06, MT.B03, RT.W06
Polyester powder coating

Sample SA041 - Material references AB.F01, HSO.W03
Affordable Block fins to Hampstead Road, office plant enclosure screen

Sample SA044 - Material reference HSO.C01
Office building horizontal fins

Material reference MT.B01, AB.B01
Balcony decking
