Assessment

Consent is sought to discharge details of fire alarm system fittings pursuant to Condition 3a of listed building consent dated 05/04/2011 (ref: 2010/6707/L) for (the retention of and alterations to existing part single, part two storey rear extension; replacement of existing brick link with glazed link; replacement of existing glazed roof area and installation of 2 rooflights at number 11).

The proposed fire alarm system including position of the fittings is considered to, as far as possible, preserve the fabric and historic character of the grade II* listed building and are therefore considered acceptable.

Note: The application originally applied to discharge condition 3d (fireplaces). However, the submitted details in respect of the replacement chimney pieces were not considered acceptable to discharge condition 3d. As such condition 3d was omitted by the applicant.
