Drawing Number	Drawing Title	Description
B04136-37/00	Index	Index of Drawings
B04136-37/01	Location Plan	Scale 1:1250 at A4
B04136-37/02	Roof Plan	Drawing of block from above, showing equipment positions
B04136-37/03	Roof Elevations	Roof view, cable routes and equipments mounting
B04136-37/04	North Elevation 1	Elevation view, cables route, colour, loom sizes at entry point per flat
B04136-37/05	North Elevation 2	Elevation view, cables route, colour, loom sizes at entry point per flat
B04136-37/06	South Elevation 1	Elevation view, cables route, colour, loom sizes at entry point per flat
B04136-37/07	South Elevation 2	Elevation view, cables route, colour, loom sizes at entry point per flat
B04136-37/08	Existing Equipments	Location and Description of equipments on site before install
B04136-37/09	Antenna, Dish Sizes & Typical Mounting Heights	Measurement of Dishes mounting position / height.

Cable Harness sizes

2-4 cables = 15mm

6-8 cables = 20mm

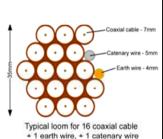

10-14 cables = 30mm

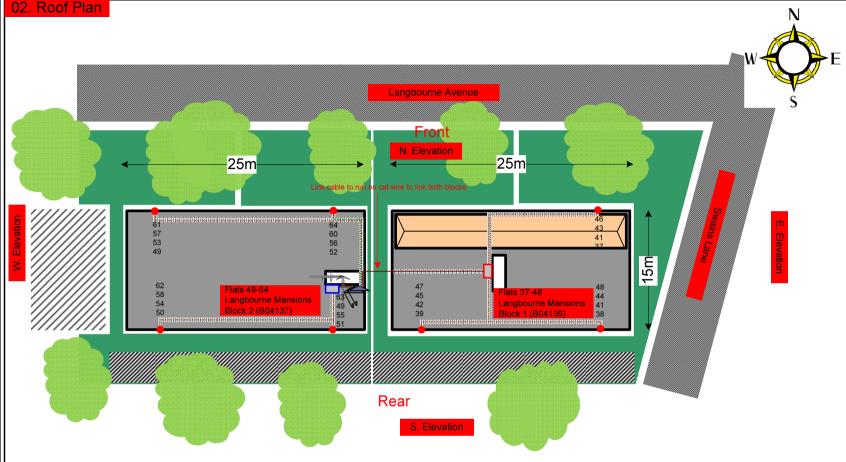

16-18 Cables = 35mm

20 cables = 40mm

40 cables = 65mm

60 cables = 90mm

Rig, Dishes and H/E + R1 all located on roof sidewall of the chimney, Power is located in the hallway entrance to flats block 49-64. All cables to run on tray on roof. Link cable to run on cat wire to link the 2 blocks. Drop cables to run over the edge of the block then down to all lounge locations at the front and rear of the block. Note that White cable will be dropped at rear wall of the buildings. Black cables will be dropped at the front face of the buildings.

03. Roof Elevations

Location of 80cm dishes on the sidewall of the Chimney mount on roof of block 65-80 Langbourne Mansions

32 cables to exit the remote cab and feed flat at rear and front of the building

Location of the remote cabinet. Sized 60x60cm on the sidewall of the chimney mount on roof of block 49-64 Langbourne Mansions

-Cable on tray on roof then to drop white cables only at rear face of the block to feed flats

-Black cables to be dropped at the front face to feed flats.

-Both buildings will be linked with a cat wire to run the system through.

24 cables to exit the remote cab and feed flat at rear and front of the building

Location of the remote cabinet. Sized 60x60cm on the sidewall of the chimney mount on roof of block 37-48 Langbourne Mansions
