Application Ref: **2011/6151/P**  
Please ask for: **Philip Neising**  
Telephone: 020 7974 **1908**

1 February 2012

Dear Sir/Madam

## **DECISION**

Town and Country Planning Acts 1990 (as amended)  
Town and Country Planning (General Development Procedure) Order 1995  
Town and Country Planning (Applications) Regulations 1988

### **Householder Application Granted**

Address:  
**44 Castle Road**  
**London**  
**NW1 8PN**

#### **Proposal:**

Replace existing lean-to side extension with a new flat roof (with rooflight) single storey side extension to dwelling house (Class C3)

Drawing Nos: Site Location Plan; P01 rev A; E01; E02; E03; E04; P05 rev A; P06 rev A; P07 rev A; P08; P09; P10; P11, Design and Access Statement prepared by DW Surveyors

The Council has considered your application and decided to grant permission subject to the following condition(s):

#### **Condition(s) and Reason(s):**

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The flat roof area of the extension hereby permitted shall not be used as a balcony, roof garden or similar amenity area unless otherwise agreed in writing by the Local Planning Authority.

Reason: In order to prevent unreasonable overlooking of neighbouring premises in accordance with the requirements of policy CS5 of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 of the London Borough of Camden Local Development Framework Development Policies.

- 4 The development hereby permitted shall be carried out in accordance with the following approved plans: Site Location Plan; P01 rev A; P05 rev A; P06 rev A; P07 rev A; P08; P09; P10; P11, Design and Access Statement prepared by DW Surveyors.

Reason: For the avoidance of doubt and in the interest of proper planning.

#### Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 2363).
- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.

3 Reasons for granting permission.

The proposed development is in general accordance with the London Borough of Camden Local Development Framework Core Strategy, with particular regard to policies CS1 (Distribution of growth), CS5 (Managing the impact of growth and development), CS6 (Providing quality homes), CS13 (Tackling climate change through promoting higher environmental standards) and CS14 (Promoting high quality places and conserving our heritage) and the London Borough of Camden Local Development Framework Development Policies, with particular regard to policies DP22 (Promoting sustainable design and construction), DP24 (Securing high quality design), DP26 (Managing the impact of development on occupiers and neighbours). For a more detailed understanding of the reasons for the granting of this planning permission, please refer to the officers report.

- 4 Surface Water Drainage - With regard to surface water drainage it is the responsibility of a developer to make proper provision for drainage to ground, water courses or a suitable sewer. In respect of surface water it is recommended that the applicant should ensure that storm flows are attenuated or regulated into the receiving public network through on or off site storage. When it is proposed to connect to a combined public sewer, the site drainage should be separate and combined at the final manhole nearest the boundary. Connections are not permitted for the removal of Ground Water. Where the developer proposes to discharge to a public sewer, prior approval from Thames Water Developer Services will be required. They can be contacted on 0845 850 2777. Reason - to ensure that the surface water discharge from the site shall not be detrimental to the existing sewerage system.
- 5 There are public sewers crossing or close to your development. In order to protect public sewers and to ensure that Thames Water can gain access to those sewers for future repair and maintenance, approval should be sought from Thames Water where the erection of a building or an extension to a building or underpinning work would be over the line of, or would come within 3 metres of, a public sewer. Thames Water will usually refuse such approval in respect of the construction of new buildings, but approval may be granted in some cases for extensions to existing buildings. The applicant is advised to contact Thames Water Developer Services on 0845 850 2777 to discuss the options available at this site.
