6 Belsize Avenue

This is a detailed floor plan of a two-bedroom apartment. The layout includes two large bedrooms, one on the left and one on the right, separated by a central hallway. The hallway leads to a bathroom located at the bottom right, which contains a bathtub, toilet, and sink. A staircase is situated in the center of the hallway, with an upward-pointing arrow indicating the direction to the upper floor. The apartment is bounded by a dashed line representing the street, with '2 Belsize Avenue' at the top and '6 Belsize Avenue' at the bottom. A small circle is visible on the right wall of the right bedroom, and a small square is on the right wall of the bathroom.
