DO NOT SCALE FROM THIS DRAWING

This drawing shows design intent only and is subject to detailed design by specialist.
All dimensions to be checked and verified on site.
All dimensions in millimetres unless noted otherwise.
All levels in metres unless noted otherwise.
Refer to structural engineers drawings for setting out and specification of structural elements.
All work to be carried out in strict accordance with manufacturer's instructions. Use only items specified on this drawing or approved alternatives of equal specification.
All glazing to be thermally broken and made watertight by sub-contractor.
This drawing to be read in conjunction with drawing No's 3753W/ARCH/W1080, W1424 to W1426 and all other relevant drawings.
For details of fire strategy refer to Weedon Partnership drawings 10561/A1075 & A1076
