Dear Ms. Spurdle,

With reference to the above letter and our subsequent telephone conversation earlier this week I enclose herewith three copies of drawing 991/03 scale 1:50 showing a section and elevation of the proposed bathroom extension as requested.

I can also confirm that the extension shall be the same height as the existing bathroom and will also have a flat roof to match the existing.

I trust this now validates the application.

Yours sincerely,

John Belcher
