Planning and Built Environment  
Camden Council

12<sup>th</sup> December 2011

**13 Prince Albert Road, NW1 7SR**

Dear Sir/Madam,

We have just made an on-line planning application for basement work to 13 Prince Albert Road, NW1. This is the third application for this project, following pre-application advice which, in the event, turns out not to have accorded with Camden's appraisal of the scheme when actually submitted for permission.

As you can imagine this has delayed the project considerably. We would therefore be very grateful if you could give this submission early attention so we can be kept up to date on its progress in good time.

Yours faithfully,

Hugh Cullum
